H. Butler, 2023-11-15 Nestled in the outskirts of Atlanta in a suburb

called Druid Hills lies Briarcliff Mansion It sits on Briarcliff Road in the Briarcliff neighborhood surrounded by strip malls and

business with Briarcliff in their names The mansion and the land it occupies are owned by Emory University which refers to it as its Briarcliff Campus Fortune and Folly in part illuminates the largely lost story of how the mansion and the entire surrounding neighborhood got its name But in order to understand the mansion we have to understand the man who built it Briarcliff Mansion once belonged to a man named Asa Candler Jr or Buddie as friends and family knew him The second son and namesake of Coca Cola founder Asa Griggs Candler Buddie was a wealthy real estate developer of great successes and greater failures A man of big vision and bigger adventures and a socialite whose boisterous unapologetic personality made him both beloved and reviled in the Atlanta community between 1910 and 1950 But after he passed away in 1953 his stories faded from memory either tangled up with or overshadowed by his father It s no mystery why Briarcliff garners attention It s self consciously grandiose built to display maximum grandeur to the neighborhood It towers over the landscape set far back from the road behind a filled in overgrown pool Its face is stitched together where a music hall was added two years after the main house was completed and the bricks don t quite match up Fortune and Folly offers a deep dive into the life of Asa Candler Jr to excavate a piece and place of Atlanta history
