Backyard Cowboy Barney Saltzberg, 1996 A fearless cowboy rides his trusty bicycle horse through the backyard badlands Wicked Cowboy Victoria Pinder, 2020-05-12 I came to take custody of my daughter I never expected to fall for the cowboy who refuses to let her go I had a plan Fly to Texas Finalize my adoption papers Bring my new daughter home Then I met Carter Rockson Navy SEAL turned billionaire rancher and my biggest obstacle He was my best friend s best man and now he s the only father figure my little girl has ever known She loves his sprawling Texas ranch She loves his horses And worst of all She loves him The caseworkers are no help Carter won t back down And every time I think I should walk away I find myself staying a little longer lingering a little closer falling a little harder His kisses under the bright Texas moon make me forget every reason I should leave And when he buys me a pair of boots my heart wants to knock with his This wasn t part of the plan But neither was falling for the one man who could make me question everything A heartwarming steamy cowboy romance with forced proximity swoon worthy kisses and a protective hero who will fight for love Read now

Don't Tease the Cowboy Sandy Appleyard, 2025-05-19 A double life A broken heart A few bad actors And a lesson learned that spells out four letters but are they love or dead Cassidy s only hurting because of his past life And it ain t my fault that we ve got something in common that doesn t rub him right But nothing spells trouble like what s going on at his brother s ranch Except when Cassidy s past catches up to me and he s got a problem with me for it The nerve I soon learn though that he s got his reasons and they re good ones too It takes a tragedy for me to learn the difference Luckily he s right there with me to see me through Until his brother s past catches up with him too And that s when we re all in trouble and at the worst time because it s right when my sister Jade and her love Blair say their vows Karma is a real problem Karma s got nothing to do with it It s all about sense And Crystal didn t have much of it in the beginning Mixing with this and that but all this time I didn t know why she was avoiding what was right in front of her It takes time for it to sink in but when it does it also takes guts for her to confront her demons and be honest for the first dang time in her life Fear is a powerful thing And when you ve been driven by it your whole life hiding from it too it s something to figure that all out Especially when it comes clear after tragedy It s the look in her eyes that draws me in see That look that I hadn t ever seen before I just hope that I get to see that look for a long time but I m not sure after what happens at Blair s wedding maybe that look will haunt me for the rest of my life or maybe it ll be my dearest blessing **The Horn Book Guide to Children's and Young Adult Books** , 1996
