**Toward an Anthropology of the Will** Keith M. Murphy, C. Jason Throop, 2010-02-10

Toward an Anthropology of the Will is the first book that systematically explores volition from an ethnographically informed anthropological point of view. While philosophers have for centuries puzzled over the degree to which individuals are free to choose how to act in the world, anthropologists have either assumed that the will is a stable constant fact of the human condition or simply ignored it. Although they are usually quite comfortable discussing the relationship between culture and cognition or culture and emotion, anthropologists have not yet focused on how culture and volition are interconnected. The contributors to this book draw upon their unique insights and research experience to address fundamental questions including: What forms does the will take in culture? How is willing experienced? How does it relate to emotion and cognition? What does imagination have to do with willing? What is the connection between morality, virtue, and willing? Exploring such questions, the book moves beyond old debates about freedom and determinacy to demonstrate how a richly nuanced anthropological approach to the cultural experience of willing can help shape theories of social action in the human sciences.

*Indicted!* James Henderson, 2009-02. In what promises to be the trial of the century, attorney turned author James Henderson indicts the medical industrial cartel now dominating modern drug-based medicine for trading the health of

**My Grandfather's Altar** Richard Moves Camp, 2024 Richard Moves Camp s My Grandfather s Altar is an oral literary narrative account of five generations of Lakota religious tradition Moves Camp is the great great grandson of W ptu a Chips the holy man remembered for providing Crazy Horse with war medicines of power and protection The Lakota remember the

descendants of Wptu for their roles in preserving Lakota ceremonial traditions during the official prohibition period 1883-1934 when the U.S. Indian Religious Crimes Code outlawed Indian religious ceremonies with the threat of imprisonment. Wptu and his two sons James Moves Camp and Charles Horn Chips, his grandson Sam Moves Camp and his great-great-grandson Richard Moves Camp, all became well-respected Lakota spiritual leaders. My Grandfather's Altar offers the rare opportunity to learn firsthand how one family's descendants played a pivotal role in revitalizing Lakota religion in the twentieth century.

**The American Police Novel** Leroy Lad Panek, 2015-09-17

The American police novel emerged soon after World War II and by the end of the century it was one of the most important forms of American crime fiction. The vogue for either Holmesian genius or the plucky amateur detective dominated mystery fiction until mid-century; the police hero offered a way to make the traditional mystery story contemporary. The police novel reflects sociology and history and addresses issues tied to the police force such as corruption, management, and brutality. Since the police novel reflects current events, the changing natures of crime, court procedures, and legislation have an impact on its plots and messages. An examination of the police novel covers both the evolution of a genre of fiction and American culture in general. This work traces the emergence of the police officer as hero and the police novel as a significant popular genre from the cameo appearances of police in detective novels of the 1930s and 1940s through the serial killer and forensic novels of the 1990s. It follows the ways in which professional writers and police officers-turned-writers view the police individually and collectively. The work chronicles the ways in which changes in the law and society have affected the actions of the police and shows how the protagonists of police novels have changed in gender, race, nationality, sexual orientation, and age over the years. The major writers examined begin with Julian Hawthorne in the nineteenth century and include such writers as S.S. Van Dine, Ellery Queen, Erle Stanley Gardner, Ed McBain, Chester Himes, MacKinley Kantor, Hillary Waugh, Dorothy Uhnak, Joseph Wambaugh, Bob Leuci, W.E.B. Griffin, and Carol O'Connor.
