The End of Castles Latrisa Miller, 2020-05-19 Society is saying this is the era of women empowerment Then answer this question why are so many girls and women still having problems with their self image and self worth Is there a missing element ingredient The answer is yes We are missing God and His purpose for women The End of Castles explores God's definition and purpose for girls and women and it is not what the world portrays God portrays every woman as a queen in His kingdom The End of Castles is an eye opening journey into God's Word for His queens This book can guide girls and women on how to build or rebuild their self esteem through God's words and block out what the world has brainwashed them to believe We can be the queens He created us to be if we build or rebuild our castle on His Word *Women and God* Kathleen

Nielson,2018-02-01 What the Bible really says about women and why it is beautiful There is much discussion and confusion around the issues of gender equality and gender roles and the church is not exempt Some even believe that the Bible contributes to sexism against women and that God is in some way sexist In this warm conversational and sympathetic book Kathleen Nielson looks at what the Bible really says about women and what it reveals about God s attitude towards them She asks the hard questions about the Old Testament Law the role of women in marriage and the role of women in the church consistently pointing us to God s word and his perfectly created order She not only provides Biblical reasoning in answer to these questions but also shows how the truth can be enjoyed as women and men submit to the perfect will of our compassionate merciful and gracious God Women and men of all backgrounds views and ages will find this a valuable book Pastors and Elders will find it useful as they work out how to faithfully lead a united worshipping community under the authority of Christ and in accordance with Scripture It is also ideal for use in women s ministry as women seek to live and act according to God s will I was deeply helped by reading Women and God It is a book written by a wise woman and it does not shy away from hard painful complex issues Ligon Duncan Chancellor Reformed Theological Seminary Jackson Mississippi
