Basic Business Communication Skills For Empowering The Internet Generation With Student Cd And Powerweb:

Basic Business Communication Raymond V. Lesikar, Marie E. Flatley, 2001-07-01 Lesikar and Flatley's Basic Business Communication BBC Skills for Empowering the Internet Generation has long been known as a solid introductory business communication book that gets to the writing skills sooner than most other texts and gives students true how to skills in all areas of business communication. It has solid examples and is both consumer and service oriented. Its strength has also been its use of margin notes, cartoons, and photos that relate to the concepts and use of cases. Recent editions have established BBC as truly cutting edge; it was the first text in the market with PowerPoint as part of its package, the first to have an online chapter, and with the 9th Edition is now the first to offer writing tips and templates for PDAs, personal digital assistants.

Basic Business Communication Raymond Vincent Lesikar, Marie Elizabeth Flatley, 2002 **Basic Business Communication** Raymond V. Lesikar, Marie E. Flatley, 2004-04-01 Basic Business Communication BBC 10 e by Lesikar and Flatley provides both student and instructor with all the tools needed to navigate through the complexity of the modern business communication environment. Exciting new student resources including a subscription to the Merriam Webster Collegiate website and an enhanced CD-ROM allow students to practice and master concepts in fun and interesting ways. BBC attends to the dynamic, fast-paced and ever-changing means by which business communication occurs by being the most technologically current and pedagogically effective books in the field. It has realistic examples that are both consumer and business oriented.

This book on Business Communication is geared to give the reader a comprehensive view about all aspects of communication: oral, written, body language, and technology-based. Business Communication forms a part of the syllabus of not only business-related courses but also of other degrees and postgraduate programmes. This book offers an in-depth study and practice exercises that will help all to improve their communication skills to a great extent. It is appropriately partitioned into various sections, each of which is independent of each other. The highlight of this textbook is that it also contains a section on communication equipment: i.e. fax, telephones, video conferencing, franking machines, etc. The section on grammar is interestingly divided into exclusive chapters on essential parts of good English knowledge. The part on Internet technology and basic knowledge on Microsoft Office is rarely found in other texts of business communication. In all, this book will be a valuable aid for students interested in

academic pursuits as well as anyone else who wants to upgrade his/her knowledge
