Basic Discipleship:

Basic Discipleship 101 Ron Hordyk, 2018-04-10 For we are God's fellow workers you are God's field God's building By the grace God has given me I laid a foundation as an expert builder and someone else is building on it But each one should be careful how he builds 1 Corinthians 3:9-10 When someone starts to build a house he first lays the foundation on which the rest of the house will be built If the foundation is not built correctly the rest of the building will be compromised affecting not only its immediate use but also its longevity The previous scripture states that the church must also lay a good foundation in new believers The Bible contains specific teachings that form the foundation of the Christian faith To overlook even one of these teachings will affect how we perceive the rest of the Christian faith An obvious example is to teach judgment without mercy a teaching which causes the church to be legalistic However to teach mercy without judgment causes the church to give license to sin Both teachings are essential for the one teaching balances the other When a person accepts Jesus as his Savior and Lord most churches place the person in their ongoing programs with the hope that he will grow However a new believer does not share the foundational truths that mature Christians have The minister may make statements which out of context will appear harsh but are not harsh when placed in the context of other accepted teachings For this reason the church must give new believers a foundation which will allow for a balance in regard to the teachings to which they will be exposed Basic Discipleship 101 is written to give new born believers the foundation on which they can build their Christian faith In this collection of studies we will examine what it means to become a Christian identify the principle players in salvation and examine the elementary truths on which the sermons they will be exposed to will be built upon Welcome to Basic Discipleship 101

Simple Discipleship Dana Allin, 2019-01-08 A Clear and Personalized Path for Discipleship Discipleship can feel like a meandering journey we don't know what we want and none of the programs offered seem to get us anywhere We need something to orient ourselves and something to direct our steps toward a clear destination Simple Discipleship with its companion assessment tool offers a plan for discipleship that is tailored to your real life and your personality and clearly pointed in the way of Jesus Most discipleship resources are designed as mass productions efficient for touching many but often failing to see individuals grow in Christ This is the best of both worlds an assessment tool for your entire church combined with an achievable personalized discipling strategy
