Basic Englishjapanese Dictionary:

Seiichi Makino, 1999 The dictionary provides guidance in understanding the dematics of both the Japanese work and its English equivalent It gives pointers as to the correct equivalent for a particular context and a selection of samples *Everyday Japanese Dictionary* Eldora S. Thorlin, 1997 **Mini Japanese Dictionary** Yuki Shimada, 2020-01-21 Mini Japanese Dictionary is the most up to date Japanese pocket dictionary available This dictionary is completely up to date with the latest vocabulary for IT smartphones and social media It is the perfect dictionary to take with you when you travel to Japan for any reason This powerful pocket reference contains the following essential features Bidirectional English Japanese and Japanese English sections Covering over 13 000 essential words idioms and expressions Japanese words given in Romanized and native script for easy pronunciation Latest computer Internet smartphone and social media terms Whether you need a travel size dictionary for your trip to Japan or are learning the Japanese language in a formal setting this mini dictionary is an essential resource Joyce Yumi Mitamura, Yasuko Kosaka Mitamura, 1997 This approach to learning the basic components of kanji demonstrates simply how a finite number of parts combine into a wide variety of characters Everyone agrees that it is possible to learn to speak Japanese in a reasonable amount of time but no one has ever said that about reading and writing it It is widely held that spoken and written Japanese require separate efforts by the student as if these two aspects were in fact distinct languages A first step toward alleviating this situation was taken by Yasuko Mitamura in 1985 with the publication of *Let s* **Japanese English** James Stanlaw, 2004-01-01 The volumes in this series set out to provide a contemporary record of the spread and development of the English language in South Southeast and East Asia from both a linguistic and literary perspective Each volume will reflect themes that cut across national boundaries including the study of language policies globalization and linguistic imperialism English in the media English in law government and education hybrid Englishes and the bilingual creativity manifested by the vibrant creative writing found in a swathe of Asian societies This book gives an in depth analysis of the use of the English language in modern Japan It explores the many ramifications the Japanese English language and culture contact situation has for not only Japanese themselves but also others in the international community Data for this book has been gathered using anthropological ethnographic fieldwork augmented by archival sources written materials and items from popular culture and the mass media An interdisciplinary approach including those of anthropological linguistics sociolinguistics cognitive science and symbolic anthropology is taken in the exploration of the topics here This book s arguments focus on four major theoretical linguistic and social issues namely the place of the Japanese English case in the larger context of World Englishes the place of the Japanese English case in a general theory of language and culture contact how Japanese English informs problems of categorization meaning construction and cognition and what it says about the social construction of identity and sense of self nationalism and race This book will be of interest to linguists anthropologists

sociologists cognitive scientists and all readers who are interested in language contact sociolinguistics English as an international language and World Englishes It will also appeal to those who are interested in Japan and popular culture

Basic Japanese-English Dictionary ,1989 Learn Japanese John Young,Kimiko Nakajima-Okano,1985-08-01 After fifteen printings the Learn Japanese College Text series has been substantially revised The incorporated revisions grew out of the authors decade and more of classroom experience Revisions were also made in accordance with recommendations proposed by instructors who have used the Learn Japanese series The new edition which reflects recent trends in language teaching continues to emphasize an integrated approach in which speaking hearing reading and writing Japanese all contribute to the language learning process The most significant improvement is the addition of Culture Notes to help clarify the sociolinguistic context in which the language is used Since Japanese modes of communication are highly situational the student of Japanese needs to be made aware of the different contexts in which speakers interact Culture Notes used in conjunction with Grammar Notes Dialogs and Useful Expressions show how an understanding of cultural values and human relationships can enhance the student s mastery of language skills A new approach to language learning is used throughout the revised edition The new sociolinguistic approach which encourages the generation of discourse is integrated with the original pattern approach which encourages the generation of sentences Many components of the first edition such as Sentence Patterns Grammar Notes and Reviews have been revised and or rearranged The result is a clearer more natural and more functional presentation of the Japanese language The four volumes of Learn Japanese New College Text were prepared by the Asian Division of the University of Maryland University College and are published by the University of Hawaii Press *Japanese Sentence Patterns for Effective Communication* 1993,2005-09-27 Japanese Sentence Patterns for Effective Communication presents 142 essential sentence Patterns for everyday conversation all that is needed to get by in most uncomplicated social situations These patterns represent the basic building blocks of sophisticated speech and are mastered by all intermediate students Each is given first in the form of a full length English sentence so that one can quickly understand its meaning and intent then is followed by a Japanese translation a short precise explanation several example sentences and a practice section that allows one to test one s comprehension By familiarizing oneself with these patterns and practicing them out loud and inventing new sentences with them one will quickly gain the skills necessary to effectively communicate one s thoughts in Japanese With page after page of sentence pattern practice and straightforward explanations of grammar this book is ideal for ambitious beginning level students who wish to up their oral proficiency quickly But it will also usefully serve intermediate and advanced students in need of solid review material or anyone with an interest in the workings of the Japanese language BOOK JACKET **Basic Japanese Conversation Dictionary** Samuel Elmo Martin,1959
