Basic Bible Sermons on Easter Chevis F. Horne, 1990 Each volume of this series contains several ready to preach sermons that also make great illustrations and themes for any sermon *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Volume 5* Hughes Oliphant Old, 2004 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen **The Fundamental Doctrines of the Christian Faith (Sermons)** R. A. Torrey, 2020-12-17 The Fundamental Doctrines of the Christian Faith is series of messages Dr Torrey preached to his congregation which are basically a classic defense for the fundamental doctrines of the Christian faith These sermons have already helped many through their delivery Now the author hopes they will reach and help far more in the printed form Inspiration or To What Extent is the Bible Inspired of God The Christian Conception of God or the God of the Bible as Distinguished from the God of Christian Science and the God of Modern Philosophy The Christian Conception of God The Infinite Perfection and Unity of God The Deity of Jesus Christ Jesus Christ a Real Man The Personality of the Holy Spirit The Deity of the Holy Spirit and the Distinction Between the Father Son and Holy Spirit The Atonement God's Doctrine of the Atonement vs Unitarian and Christian Science Doctrines of the Atonement The Distinctive Doctrine of Protestantism Justification by Faith The New Birth Sanctification The Resurrection of the Body of Jesus and of Our Bodies The Devil Is
