Winning Basketball Fundamentals Lee Rose, 2012-09-21 Lee Rose has been one of basketball's most knowledgeable and respected coaches over the past 50 years at the high school, college, and professional levels. *Winning Basketball Fundamentals* presents his proven program for success, the same one he used in taking teams from two different colleges to the Final Four. From offense to defense to transition play and special situations, Rose covers every tactical facet of the game and adds his insights for improving execution in each. He presents popular offensive systems: the Triangle, LA Flex, Dribble Drive, and Motion, as well as man-to-man and zone defensive schemes with suggestions for when and how to deploy and adjust them. Rose also teaches all the essential individual skills required for performing those tactics proficiently and consistently, with special tips for executing when the game is on the line. Perimeter and post-specific instruction and drills will help players build on their skills through practice. Coach Rose also shares his Performance Rating System, a tool he's used time and again to develop some of the game's top players. Rose explains not only how to identify strengths and weaknesses but also how to use that information to maximize the potential of individual players and the team. Flashy and fluke plays might be fun to watch, but you can't build a successful season or career on them. *Winning Basketball Fundamentals* is the proven formula for developing the solid individual skills and team tactics you can count on game after game. *Bball Basics for Kids* Coach Bobby Kaplan, Bobby Kaplan, 2012-08 Provides instructions and skills for developing essential basketball skills covering ball handling, shooting, passing, defense, and rebounding. **Indiana University Basketball Encyclopedia**, 2018-01-16 The tradition of college basketball excellence that reigns at Indiana University can only be matched by a handful of other elite programs, while the fierce devotion of IU basketball fans has been selling out arenas and inspiring generation after generation of Hoosier fans for over a century. This newly revised edition captures the glory, the tradition, and the championships from the team's inaugural games in the winter of 1901 all the way through the 2016-17 season. The most comprehensive book ever written about IU basketball, this encyclopedia covers every season and every game the Hoosiers have played throughout their illustrious history, including all of the program's Big Ten Conference championships and NCAA championships. Fans will relive the most exhilarating victories and the most heart-wrenching defeats. Included within are profiles of legendary Hoosier stars from Don Schlundt and the Van Arsdale twins all the way through Calbert Cheaney and Damon Bailey. The rivalries, excitement, and history of the Hoosiers are captured here with vivid detail and unparalleled statistical accuracy. *Indiana University Basketball Encyclopedia* is a must-have for the library of every devoted IU basketball
