Randy Taraborrelli, 2001-09-27 Madonna Megastar Lover Mother Opportunist Chameleon Role model She s all of these things and more Yet who is she really In *Madonna An Intimate Biography* author J Randy Taraborrelli s scrupulously researched and completely balanced unauthorized biography of one of the world s most celebrated entertainers the reader is allowed to draw his or her own conclusions Indeed the portrait bestselling author Taraborrelli paints here is of a truly complex woman one who is driven and determined to succeed at any cost yet who displays remarkable vulnerability when it comes to matters of the heart It is significant that *Madonna An Intimate Biography* is the first such book written about the star in over a decade because in the past ten years the ever changing Madonna has gone through her biggest transformation yet from tempestuous sex goddess to happily married mother Amazingly as she launches her first worldwide tour in eight years she is now at forty something enjoying one of the most successful periods of her groundbreaking career Whereas other books about Madonna have been based on previously published material *Madonna An Intimate Biography* is the result of ten years of exclusive interviews with people who are speaking publicly about her for the first time including close friends business associates and even family members Since Taraborrelli interviewed the star herself early in her career he is now able to draw from such firsthand experiences to place her success story in perspective and provide new stunning insights The true Madonna as presented here is not merely a sensation seeking tabloid vixen but a flesh and blood woman with human foibles and

weaknesses as well as great strengths and ambitions For the first time the reader learns about the complex nature of her difficult relationship with her father and how the two finally found one another after years of estrangement how Warren Beatty broke her heart and why the two never wed how she and John Kennedy Jr became romantically involved his mother's reaction to the prospect of Madonna as a daughter in law and why it could never have worked out the truth of her relationships with the fathers of her two children and how as a loving and attentive mother she has evolved into a surprisingly different woman and what the future holds for her Madonna An Intimate Biography is a truly explosive and definitive account of the life of an entertainer who is undoubtedly one of the most popular trendsetting figures of our time Full of amazing disclosures about her private life and public career New York Times bestselling author J Randy Taraborrelli's latest work reveals Madonna in a new and surprisingly inspiring way Not only a feast for fans this book is great entertainment for anyone who enjoys a remarkable story stirring told *Blonde Ambition* Samantha Phillips, 2011-12-31
