The Breakfast Club meets The Silver Linings Playbook in this powerful provocative and heartfelt novel about twelve strangers who come together to make the most of their final days from New York Times bestselling and award winning author J Michael Straczynski. Mark Antonelli a failed young writer looking down the barrel at thirty is planning a cross country road trip. He buys a beat up old tour bus. He hires a young army vet to drive it. He puts out an ad for others to join him along the way. But this will be a road trip like no other. His passengers are all fellow disheartened souls who have decided that this will be their final journey upon arrival in San Francisco they will find a cliff with an amazing view of the ocean at sunset hit the gas and drive out of this world. The unlikely companions include a young woman with a chronic pain sensory disorder and another who was relentlessly bullied at school for her size a bipolar party loving neo hippie a gentle coder with a literal hole in his heart and blue skin and a poet dreaming of a better world beyond this one.
