Blood Link:

Blood Link Claire McNab, 2003-06-01 Is Carol playing into a killer's plan? A series of random deaths suddenly fall into a pattern when reclusive eccentric billionaire Thurmond Rule dies leaving an immense estate but no valid will. With no close relatives, Rule's son and only heir vanished mysteriously years before the search begins to find more distant kin who may have a claim to the Rule billions. And there would be several more applicants vying for the money but for the disturbing fact that many of them have recently died or been killed. Detective Inspector Carol Ashton speculates that one among the remaining would-be heirs could be responsible for thinning the field so drastically but is baffled that a killer would draw such oblivious attention to themselves. As the authorities contemplate protecting anyone with a blood link to Thurmond Rule, Carol fears she may be unwittingly shielding a killer and playing into a deadly plan. With another in the phenomenally successful Detective Carol Ashton Mystery series, Claire McNab again proves why she is the most popular writer of lesbian mysteries with this suspenseful story of cat and mouse. *More Tools for Liberating the Bruised* Dr. Joe Allbright, Rita Allbright, 2011-04-20 The Lord impressed authors Rita and Joe Allbright to write a second counseling book about spiritual warfare in which they share some invaluable truths from God's Word and expound on biblical counseling procedures and share many prayers for specific subjects. The book also shares lessons to inspire Christians to mature in the Lord and walk in His will for their precious lives after they have received freedom from the enemy through our Lord Jesus. It addresses negative learned behavioral issues and offers solutions. We are confident that our Lord's biblical teachings in both books will be a blessing to ministers, missionaries, counselors, counselees, and anyone wanting to learn this subject matter. The new partner to *Liberating the Bruised* is *More Tools for Liberating the Bruised*. **The Vampire** Alan Dundes, 1998-10-15 Vampires are the most fearsome and fascinating of all creatures of folklore. For the first time, detailed accounts of the vampire and how its tradition developed in different cultures are gathered in one volume by eminent folklorist Alan Dundes. Eleven leading scholars from the fields of Slavic studies, history, anthropology, and psychiatry unearth the true nature of the vampire from its birth in graveyard lore to the modern-day psychiatric patient with a penchant for drinking blood. *The Vampire A Casebook* takes this legend out of the realm of literature and film and back to its dark beginnings in folk traditions. The essays examine the history of the word vampire, Romanian vampires, Greek vampires, Serbian vampires, the physical attributes of vampires, the killing of vampires, and the possible psychoanalytic underpinnings of vampires. Much more than simply a scary creature of the human imagination, the vampire has been and continues to haunt the lives of all those who encounter it in reality or in fiction. **Bloodsworn: Bound by Magic** Kathy Lane, 2010-09-24 Worlds collide when a man of magic is forced to take a woman of science as his bride. Powerful Bloodsworn Devlin Kel Tragar is sent to Earth to claim his prophecy bride, a task he has no heart for until he learns that research chemist Avera St John is also his Starmate, the one woman in the universe born just for him. Now he'll do anything to claim her. But will his slow seduction of his lady mate give his enemy time

to take away the one thing Devlin can't afford to lose Avera is drawn to her new neighbor Devlin Kel despite the mystery she senses surrounding him A mystery that blows her safe little scientific world wide open when strange men with swords try to kill her and Devlin shows up and blasts them with magic Real honest to goodness magic Her world is suddenly changed forever and Avera must decide if she is able to accept those changes along with the man responsible **Huntress of the Gloom: Lost Lands of Elysia** Jiya Doshi, 2024-10-15 THRILL ALERT YOU WON'T BE ABLE TO PUT THIS DOWN A little spark A flame A fire Olivia Adams is a girl with a shady past and a crazy present of jumping into Betwixt holes exposing her best friend and then saving her Thrown into a life of risk wanting that number 1 on the dice for snakes and ladders when it really matters and not getting it instead slithering down a snake to Square 1 ouch And she has gone through more than your everyday teenager's bucket list of risks Breaking rules for her best friend Trials Almost getting burned alive with her own lies Joining the Hunt Becoming a fugitive Turning from the hunter to the one hunted Having to fight the World's Wanted 1 at the age of 16 Uh oh Swept into a life of swords and battle mystery and magic action and adventure Meet the Hunters of the Round Table the Seven Raven and the Infernal Clan in a fierce clash ready to steal your breath away Are You Ready

Islam, Context, Pluralism and Democracy Yaser Ellethy, 2014-11-20 Islam Context Pluralism and Democracy aspires to clarify the tensions and congruences between the revelational and the rational the text and the context the limits and the horizons of contextualization in Islam as these emanate from the Islamic interpretative tradition This book examines classical and modern Muslim interpretations with regard to the concepts of diachronic development pluralism and democracy based on Arabic Islamic sources and literature Focusing on the parameters of semantic changes methods of interpretation and cultural variables it shows how this interpretative tradition offers a diversity of ideas and approaches that can be utilized in contemporary debates concerning the socio-political contextualization of Islamic genuine thought However within this diversity Islam presents generic principles and core values as moral paradigms that can deal with such modern challenges Based on the analysis of core Islamic texts and key terms related to the discussed issues mainly from the Quran and the Sunnah and the broader Arabic Islamic literature it explores the boundaries of the mutable and constant in the Islamic worldview Presenting classical Muslim interpretations and scholars as possible interlocutors in debates over the compatibility of Islam with challenges of modernity this book is essential reading for researchers and postgraduates interested in Islamic Studies Philosophy of Religion and Political Science *To Know Where He Lies* Sarah

Wagner, 2008-10-02 In the aftermath of the 1992-1995 Bosnian war the discovery of unmarked mass graves revealed Europe's worst atrocity since World War II the genocide in the UN safe area of Srebrenica *To Know Where He Lies* provides a powerful account of the innovative genetic technology developed to identify the eight thousand Bosnian Muslim Bosniak men and boys found in those graves and elsewhere demonstrating how memory imagination and science come together to recover identities lost to genocide Sarah E Wagner explores technology's import across several areas of postwar Bosnian society for

families of the missing the Srebrenica community the Bosnian political leadership including Serb and Muslim and international aims of social repair probing the meaning of absence itself *Doublespeak* Alisa Smith, 2025-06-25 The followup to the literate and action packed historical thriller *Speakeasy* *Doublespeak* finds plucky protagonist Lena on a journey back to her past Lieutenant Lena Stillman has been left nearly alone on her code breaking mission in remote Alaska World War II has been over for a month but due to crimes committed a lifetime ago Lena is still under the control of the powerful Miss Maggie Shaken by her role in the disappearance of Corporal Link Hughes and by her own misjudgment of his character Lena yearns for an opportunity to redeem them both Then she receives a shocking message containing Link s potential location Siam Embarking on a clandestine rescue mission to Bangkok Lena is reunited with shadows from her past including loyal friend Byron who is eager to escape his safe dull life and the attractive yet dangerous William Yardly As personal and political allegiances shift in the postwar maelstrom it seems impossible to know who is good or bad innocent or culpable and whether they are motivated by love or revenge Overlaying rich historic detail and an intricate plot *Doublespeak* is an entrancing sequel to Alisa Smith s first novel *Speakeasy* which received the honor of being a Walter Scott Prize Academy recommended book of 2018 **The War against Animals** Dinesh Wadiwel, 2015-06-24 Are non human animals our friends or enemies In this provocative book Dinesh Wadiwel argues that our mainstay relationships with billions of animals are essentially hostile *The War against Animals* asks us to interrogate this sustained violence across its intersubjective institutional and epistemic dimensions Drawing from Foucault Spivak and Derrida *The War against Animals* argues that our sovereign claim of superiority over other animals is founded on nothing else but violence Through innovative readings of Locke and Marx Dinesh Wadiwel argues that property in animals represents a bio political conquest that aims to secure animals as the spoils of war The goal for pro animal advocacy must be to challenge this violent sovereignty and recognize animal resistance through forms of counter conduct and truce **The Politics of Adoption** Kerry O'Halloran, 2008-12-01 Adoption has always had a political dimension Its use to achieve political ends has been evident throughout history and in many different cultures In Roman times an emperor would adopt a successful general to 1 continue his rule In Ireland under the Brehon Laws the reciprocal placements of 2 children between clans was an accepted means of cementing mutual allegiances In Japan the adoption of non relatives was traditionally seen as a means of allying 3 with the fortunes of the ruling family The willingness of governments to use adoption as a political strategy was apparent for example in Australia where it was used to 4 further the assimilation of indigenous people It is now present in the phenomenon of intercountry adoption where the flow of children particularly in the aftermath of war is often politics by proxy Adoption can be profoundly affected by politics as demonstrated by the decision of the Chinese government to advocate one child families which resulted in very many Chinese girls being relinquished for adoption abroad as their parents exercised a preference for a male child Again as in Korea in the recent past c rently in some South American countries and in those states of eastern

Europe newly emerged from under the blanket of totalitarianism governments can and do facilitate an outward flow of children for reasons of economic and political expediency *The Human Right to Citizenship* Yaffa Zilbershats, 2021-10-01 The book endeavors to establish the standards for vesting citizenship in the hope that applying these standards will result in every person being granted citizenship of the State which is the center of his/her life The author considers the connection between loyalty to the State and citizenship the principles which should shape the concept of loyalty to the State the dilemma of multiple citizenship and the right to citizenship in the light of current political changes Published under the Transnational Publishers imprint **Rapid Review Pathology: Second South Asia Edition - E-book** Edward F. Goljan, 2018-12-17

Education and International Development Clive Harber, 2014-05-05 This book is a comprehensive introductory text for those beginning their studies of the complex yet fascinating area of education and international development It sets out an overview of the main theories ideologies and issues of education in developing countries always with an eye to the contextual and practical realities of life in schools and other educational institutions The book takes a balanced yet critical approach and examines both positive and negative aspects of the many relationships between education and development It will be of use to undergraduate master's and doctoral students as well as to staff in higher education who teach on courses concerned with education and development and those who work in international institutions and non-governmental organisations Beware of False Religions & Pagan Traditions Part 2 Helene Fulton, 2015-01-11 There are only two roads one leads to heaven and one leads to hell This is a spiritual fact without change or compromise there is no middle road and no chance to sit on the fence There are numerous false religions operating in the world today falsely broadcasting themselves as truth or as God's truth for that matter These religions may on the contrary be the foundation of lifelong poverty family breakdown mental derangement physical illness or varying manifestations of bizarre behavior in the lives of people These individuals have either turned their back on the true God completely or by their actions have allowed some of these pagan and false religious practises to creep into their every day lives By clinging to these pagan traditions we inadvertently give Satan a foothold in our lives In these books these false religions have been measured up against the word wisdom and knowledge of God The word of God says

that His word is like fire and is a hammer that breaks rocks into pieces Minority Languages and Cultural Diversity in Europe Konstanze Glaser,2007-01-01 This book engages critically with debates about linguistic continuity and cultural survival in relation to Europe's autochthonous minorities Focusing on Scotland's Gaels and Lusatia's Sorbs Wends it analyses and evaluates competing assumptions rationales and ideologies which have shaped previous and present language revitalisation initiatives and that continue to pose dilemmas to language planners and politicians in the UK Germany and beyond Moon Touched 2 Scarlett Hart,2024-12-24 My name is Katia and I am just trying to survive until my fated mate arrives Which may be easier said than done Rejection is the last straw Whispering my acceptance of his rejection I run through the pack house out across the manicured lawn into the forest I'm sorry my sweet girl I say to my wolf I'm sorry you have been stuck with me and have had to suffer everything I have She whispers it's not your fault Katia We came to a cliff with a waterfall The hurt keeps pounding at me I need it to stop My sweet girl and I just want peace I keep running and leap off the cliff Spreading my arms wide with tears streaming down my face I fall not making a sound waiting for sweet oblivion where we feel nothing ever again I love you my sweet girl Until we meet again My wolf replied just before we hit the water I love you too Katia I have never regretted a moment with you The Snow Moon pack is having their last barbecue of the summer next to the waterfall on their land The adults are laughing and joking while watching the pups play The alpha beta and gamma are swimming with some of the older children and playing a game of Marco Polo Someone yells Oh my goddess someone just jumped over the waterfall Everyone is frozen as they watch what looks to be a child falling arms spread wide no one makes a sound The small body hits the water like a plane crashing into the side of a mountain The alpha beta and gamma spring into action swimming towards the area the person went under The alpha is screaming his wolf is going crazy repeating Find her Find her find her They dive and the beta surfaces with a small person in his arms Alpha takes the girl from his beta laying her on the ground The men are shocked by what they see She is covered in scars and injuries Her body is twisted and broken The Beta asks Who could have done this to someone so defenseless Alpha drops to his knees repeating MATE MATE MATE This part 2 of the series Reviews this book is nothing short of brilliant I love werewolf books but this one is so different but in a really great way It's interesting captivating emotional so well written the premise is fantastic with the involvement of so many other mystical species gods etc The characters are well written but I must admit that Katia is my favourite I love Aza as well I just hope everyone we know so far survives all of this This book was really interesting a completely different take to any I've read before about the supernatural world It was well written took you on a rollercoaster of emotions 5 *Report - US Army Medical Research Laboratory* Army Medical Research Laboratory,1968 *Sacred Retreat* Pia Orleane,2017-09-12 Restoring our biological cycles to heal ourselves our culture and our planet 2017 Nautilus Gold Award Shows how just like the tides and the moon phases both women and men have biological cycles of growth and renewal necessary for healthy bodies and minds Explains how the seclusion of women during menstruation and of men

during vision quests offers a cleansing process for body and mind to awaken innate creativity and sensitivity re attune us with the deeper rhythms of the body and nature and restore harmony between the divine feminine and divine masculine Reveals how the need for sacred retreat was forgotten when the divine feminine was suppressed by patriarchal culture All of life is interwoven into a living system of cycles from Earth s seasons to the enzymatic pathways that provide energy to a cell Waxing and waning from times of growth to times of rest renewal and healing cycles map the most auspicious time for everything in life Both women and men have biological cycles of active growth and quiet renewal led by our hormones By understanding how everything in life moves in cycles you can become more aware of and comfortable with your own cyclic nature something that has been forgotten by the modern world s linear views of time Drawing on the wisdom of ancient cultures the natural cycles of life and her own groundbreaking research Pia Orleane Ph D offers a template for how we can restore balance to our emotions and health ease tensions between the sexes and heal our fractured culture by honoring divine feminine consciousness and re embracing natural cycles including our innate need for rest and retreat She explains the biology of how our bodies operate by hormones released in cycles and shows how balanced hormones help eliminate anger depression insomnia anxiety and fatigue Exploring ancient traditions and rituals surrounding blood and sacred retreat she explains how the seclusion of women during menstruation and of men during vision quests offered a cleansing process for body and mind alone time to clear suppressed emotions awaken our innate creativity and sensitivity re attune us with the deeper rhythms of the body and nature and restore harmony between the genders and balance between the divine feminine and masculine Outlining the sacred retreat process the author explores dream cycles divine sexuality and practices for reconnecting to nature increasing creativity and intuition and clearing suppressed emotions She also looks at the benefits for women and men of separate sleeping during menstruation Through this wisdom we can restore our natural cycles allow the divine feminine to once again blossom alongside the divine masculine and with the return of balance heal our world and our hearts

Gender, Nation and Religion in European Pilgrimage Catrien Notermans, 2016-04-22 Despite the forces of secularization in Europe old pilgrimage routes are attracting huge numbers of people and given new meanings in the process In pilgrimage religious or spiritual meanings are interwoven with social cultural and politico strategic concerns This book explores three such concerns under intense debate in Europe gender and sexual emancipation trans national identities in the context of migration and European unification and religious identifications in a changing religious landscape The interdisciplinary contributions to this book explore a range of such controversies and issues including Africans renewing family ties at Lourdes Swedish women at midlife or young English men testing their strength on the Camino to Santiago de Compostela New Age pilgrims and sexuality Saints festivals in Spain and Brittany conservative Catholics challenging Europe s liberal policies on abortion Polish migrants and French Algerians reconfiguring their transnational identity by transporting their familiar Madonna to their new home new sacred spaces created such as the shrine of Our Lady of Santa Cruz

traditional Christian saints such as Mary Magdalene given new meanings as new age goddess and foundation legends of shrines revived by new visionaries Pilgrimage sites function as nodes in intersecting networks of religious discourses geographical routes and political preoccupations which become stages for playing out the boundaries between home and abroad Muslims and Christians pilgrimage and tourism Europe and the world This book shows how the old routes of Europe are offering inspirational opportunities for making new journeys

Conscientious Objection Kerry O'Halloran, 2022-03-25

This book traces assesses and compares the history of conscientious objection in the cultural context of six common law nations from refusal of military service and a range of similar moral dilemmas to objecting to abortion to the current social polarisation surrounding vaccination hesitancy in the COVID 19 pandemic It considers the impact of this form of dissent in relation to social movements like Black Lives Matter social activists such as Gandhi and whistle blowers like Daniel Ellsberg It reflects on the relationships between the sacred and the secular the state and the citizen in order to better understand the responsibilities of citizenship in our increasingly secular societies It analyses what defines the conscientiousness of an objection from both legal and ethical standpoints It examines what constitutes a matter of conscience why this should justify exemption from civic duties and why this form of dissent has such a time honoured status It explores the increased reliance on grounds of religion belief or conscience as providing justification for excusing some citizens from complying with certain responsibilities mandated by equality and non discrimination legislation that are binding for all others By conducting a comparative evaluation of national law and judicial rulings on a fixed agenda of issues this book identifies key jurisdictional differences concerning conscientious objection In so doing it highlights the importance of cultural context and constructs a jurisdiction specific overview of legislation policies and case law By tracking policy developments and highlighting crucial judicial rulings particularly in the US it provides insights into the probable future direction of developments in national law relating to conscientious objection Lastly the book draws attention to some of the potential consequences of manifesting dissent by opting out of performing public services e g the possible local breakdown of specific service availability e g abortion officiating at same sex marriages and immunisation prompting population movements as established democratic civil rights are locally negated reproductive rights LGBT rights right to health protection fragmenting society into a geographic patchwork of regions in which some citizens are branded as conservative reactionary and others as progressive and fuelling the culture wars with profound implications for a coherent democratic society
