Rizzo, 2018-03-13 The dark nights of Buffalo are complicated when a woman is found dead behind a goth club The clues lead to a real vampire coven inside the city Struggling bike messenger Rex Carlton ends up in the middle of the investigation and is left for dead Rex worked in IT a job he did not care for Part of the reason was the sales manager who despised him and made him hate his job His girlfriend also dumped him leaving his eccentric neighbor and best friend Neumann the only solace in his miserable life When he read there was an opening for a bike messenger in Buffalo he decided that had to be better than what he was doing It turns out riding a bike for a living isn t as easy as he thought As he second guesses his decision he ends up tangling with one of the Buffalo vampires who put a target on his back Will the vampires kill him before the bike does This is Book 1 of Rex Carlton Mysteries Read the backstory and learn more about the characters then pick up Book 2 Double Rush **Bloody Valentine** John Fleury, 2020-09-12 A Valentine s Day not soon forgot The Saint Valentine s Day Massacre is one of the most notorious murders of all time In the crime ridden Chicago of the Prohibition era gangsters like Al Capone battled for power but few went to the extreme lengths that Capone did on that fateful day in 1929 This short book gives you an exciting look at one of the most notorious criminals of all time and the massacre he masterminded to finally gain control of the bootleg liquor trade Pray he has chocolates in that box and not a Tommy gun This is one Valentine s Day you will never forget **Horror That Haunts Us** Karrà Shimabukuro, Wickham Clayton, 2024-02-06 Horror s pleasures fundamentally hinge on looking backward either on destabilising trauma or as a period of comfort and happiness which is undermined by threat However this stretches beyond the scares on our screens to the consumption and criticism of the monsters of our past The horror films of our youth can be locations of psychological and social trauma or the happy place we go back to for comfort when our lives become unsettled Horror That Haunts Us Nostalgia Revisionism and Trauma in Contemporary American Horror is a collection of essays that brings together multiple theoretical and critical approaches to consider the way popular horror films from the last fifty years communicate embody and rework our view of the past Whether we look at our current relationship to

the scary movies of decades ago as personal or cultural memory the way historical and sociopolitical events and frameworks especially traumas reframe the way we look at our pasts or even the way recent horror films and video games look back at our past and the past of the genre itself through a filter of experience and history this collection will show the close relationship between nostalgia and popular horror These essays also demonstrate a range of unique and diverse points of view from both established and emerging scholars on the subject of horror and the past Edited by seasoned horror experts Karr Shimabukuro and Wickham Clayton Horror That Haunts Us is a book with the aim of examining why we return again and again to certain popular horror films either as remakes or reboots or as the basis for pastiche and homage

*My Bloody Valentine* Kat Crimson, My name is Val short for Valentina It s a stupid name I hate it My parents named me after the worst holiday of the year Hands down I m sure you can sense the sarcasm in my tone when I say holiday I mean everyone knows it s made up The greeting card industries shacked up with a few loose flower vendors and some tawdry chocolatiers and decided all they had to do was dress it up with some snazzy marketing and the whole thing was going to make them a ton of bucks It all makes me sick I avoid it like the plague or I would have if I hadn t run out of cat food Yes that s right I m a cat lady Sneer all you want I would but it s the reason you re even here listening to my tale If I hadn t run out of Tender Vittles for my feline companion I would never have made the terrible choices that led me on this adventurous nightmare where I had the worst best night of my life And you sick voyeurs wouldn t be sitting there with your eyes glued to my digital paper In this gritty fast paced action packed anti Valentines Day short one woman s irrational hatred for all things V Day will lead her down a treacherous path of poor decision making that lands her in perilous danger But will this one dark and terrible night also hold the key to her salvation and spell the end of her bitter loneliness
