Blossoms And Blizzards:

Love Blooms in a Blizzard Rebecca Hackney, 2010-12-27 Eve Dalton had lived her entire life in San Francisco but now she was looking forward to her new life as a schoolteacher in Virginia City She was ready to leave the painful memories behind and start making new ones Boarding the stage in Carson City she was one step closer to her new life but she had no idea of the dangers awaiting her Getting snowbound with a handsome stranger was only one of her worries Cherry Blossom Epiphany -- The Poetry and Philosophy of a Flowering Tree Robin D. Gill, 2006-10 Cherry Blossom Epiphany the poetry and philosophy of a flowering tree a selection translation and lengthy explication of 3000 haiku waka senry and ky ka about a major theme from I P O O H In Praise Of Olde Haiku by robin d gill 1 Haiku Translation from Japanese to English 2 Japanese poetry 8c 20c waka haiku and senry 3 Natural History flowering cherries 4 Japan Culture Edo Era 5 Nonfiction Literature 6 Translation applied 7 You tell me If the solemn yet happy New Year s is the most important celebration of Japanese Yamato ethnic culture and the quiet aesthetic practice of Moon viewing in the fall the most elegant expression of Pan Asian Buddhism religion the subject of this book Blossom viewing which generally means sitting down together in vast crowds to drink dance sing and otherwise enjoy the flowering cherry in full bloom is less a rite than a riot a word originally meaning an uproar The major carnival of the year it is unusual for being held on a date that is not determined by astronomy astrology or the accidents of history as most such events are in literate cultures It takes place whenever the cherry trees are good and ready Enjoyed in the flesh the blossom viewing or hanami is also of the mind so much so in fact that poetry is often credited with the spread of the practice over the centuries from the Imperial courts to the maids of Edo Nobles enjoyed link verse contests presided over by famous poet judges Hermits hung poems feting this flower of flowers to say the generic flower hana in Japanese connotes cherry on strips of paper from the branches of lone trees where only the wind would read them In the Occident too flowers embody beauty and serve as reminders of mortality but there is no flower that like the cherry blossom stands for all flowers Even the rose by any name cannot compare with the sakura in depth and breadth of poetic trope or viewing practice In Cherry Blossom Epiphany Robin D Gill hopes to help readers experience metaphysically some of this alternative world Haiku is a hyper short 17 syllabet or 7 beat Japanese poem directly or indirectly touching upon seasonal phenomena natural or cultural Literally millions of these ku have been written some perhaps many times about the flowering cherry sakura and the human activity associated with it blossom viewing hanami As the most popular theme in traditional haiku haikai cherry blossom ku tend to be overlooked by modern critics more interested in creativity expressed with fresh subjects but this embarrassment of riches has much to offer the poet who is pushed to come up with something anything different from the rest and allows the editor to select from what is for all practical purposes an infinite number of ku Literary critics take note Like Rise Ye Sea Slugs 2003 and Fly ku 2004 this book not only explores new ways to anthologize poetry but demonstrates the practice of multiple readings an average of two per ku as part of a composite translation turned

into an object of art by innovative clustering Book collectors might further note that while Cherry Blossom Epiphany may not be hardback it takes advantage of the many symbols included with Japanese font to introduce design ornamentation the circle within the circle the reverse Buddhist swastika etc hitherto not found in English language print It is a one of a kind work of design by the author

The 5th Season: New year ku (books 1 & 2 of 4) Robin D. Gill, 2007 In this book the first of a series Robin D Gill author of the highly acclaimed Rise Ye Sea Slugs and Cherry Blossom Epiphany the largest single theme anthologies of poetry ever published explores the traditional Japanese New Year through 2 000 translated haiku mostly 17 20c The New Year R H Blyth once wrote is a season by itself That was nowhere so plain as in the world of haiku where saijiki large collections called of ku illustrating hundreds if not thousands of briefly explained seasonal themes generally comprised five volumes one for each season Yet the great doyen of haiku gave this fifth season considered the first season when it came at the head of the Spring rather than in mid winter only a tenth of the pages he gave to each of the other four seasons 20 vs 200 Was Blyth Zen enthusiast not enamored with ritual Or was he loath to translate the New Year with its many cultural idiosyncrasies most common to the Sinosphere but not to the West because he did not want to have to explain the haiku It is hard to say but with these poems for the re creation of the world Robin D Gill aka keigu respect foolishness or respect fool rushes in where even Blyth feared to tread to give this supernatural or cosmological season one that combines aspects of the Solstice Christmas New Year s Easter July 4th and the Once Upon a Time of Fairy Tales the attention it deserves With G K Chesterton s words evoking the mind of the haiku poets of old the author publisher leaves further description of the content to his reader reviewers The man standing in his own kitchen garden with the fairyland opening at the gate is the man with large ideas His mind creates distance the motor car stupidly destroys it G K Chesterton Heretics 1905

Another Fantasy Thomas A. Pinkerton,1894 **PREPPERS: HISTORY AND THE CULTURAL PHENOMENON** Lynda King,2014-08-07 The word prepper seems to have burst onto the scene within the last 10 years and has increasingly become associated with fringe extremists They have been labeled by some as domestic terrorists But is prepping a new phenomenon Or is it a manifestation of a growing collective psyche that has learned from traumatic events throughout our history that preparedness is critical to human survival For new preppers who think the worst is yet to come this book offers a walk through history that shows the worst has been here before For those who wonder why so many people are concerned about being prepared this book will show that when the worst has made an appearance those who weathered it best were those who were prepared For those already familiar with history s worst who think THAT will never happen again this book offers a reminder of the Wall Street adage Past performance is no guarantee of future results For those who wonder what a prepper is this book offers a look at what they used to be and what they are today **Success with Flowers, a Floral Magazine**,1894
