Blow Up Film Script:

Blow-up Michelangelo Antonioni, 1971 Blow-up, 2017 A booklet accompanying the Criterion Collection 2017 two disc release of Michelangelo Antonioni's 1966 film Blow up examines the themes and meanings of the movie the background of its production original questionnaires by Antonioni that were submitted to London photographers and other artists as research for the film and the short story by Julio Cortázar on which the screenplay was based **The Autonomous Image** Armando J. Prats, 2021-12-14 Blowup says Armando Prats is one of the necessary movies It is a living expression of the transition into the new narrative domains in terms of man's new vision of himself as a narrative creature in a world whose very essence is cinematic narration Prats work on the new humanism inherent in postwar filmmaking is a rewarding work with implications for the fields of esthetics and axiology as well as film criticism In his analyses of four films by three directors Fellini's Director's Notebook and The Clowns Wertmüller's Seven Beauties Antonioni's Blowup Prats shows the contrasts between the conventional word bound narrative methods of the past and the new narrative in which images are free to display their energies fully to lead the eye beyond rational concepts of reality and illusion truth and falsity good and evil beauty and ugliness The autonomous visual event Prats finds offers one of the most direct ways of entering into adventures of ideas particularly in the realm of human values Movies have revolutionized art as well as thought about art and inasmuch as art and life converge they have revolutionized life itself **Film Scripts** George Garrett, O. B. Hardison, Jane R. Gelfman, 1989 These scripts from 1964-65 movies are presented to aid in understanding filmmaking The reader/viewer can study the script and finished images to compare film script with movie productions **Editing Digital Film** Jaime Fowler, 2012-11-12 At long last film and video editors are using the same systems to edit their projects and Editing Digital Film is the guide to show them how to do it This concise reference provides video and film editors familiar with the Avid Media 100 and Final Cut Pro systems with crucial information they will need to edit on all three of these systems In addition to showing film editors and directors working on DV projects how to edit for this new format this text also clarifies the NLE process to those familiar with traditional film editing With its focus on the essentials of integrating nonlinear editing with film Editing Digital Film is an excellent resource for video editors wishing to edit films and for film editors wishing to learn how films are integrated into nonlinear systems With coverage the film cutting process post production methods telecine matchback editing HDTV 24P cutting DV and all necessary tools to get the job done this is the perfect guide for those interested in editing digital film
