maximum security institution for a second time he meets some interesting characters along the way that advertently or inadvertently aid in his freedom Once on the run he certainly breaks the law to acquire cash a car and a new identity Because he s oddly likable and not really violent you seem to root for this lawbreaker despite the fact you know he deserves to be caught and put back into the system As you read further you know Jimmy Lee isn t your typical criminal One of the many characters he encounters along the way is a hooker Yet the only thing he wants from her is a new identity This would normally be quite odd coming from a guy who just left prison after ten years He then picks up two runaways and convinces them to go back home where he even funds the bus ride This begins to show Jimmy Lee s odd sense of integrity By the way we soon find out why he was saving himself Part two begins with his true passion Veronica Lin Brooks a teacher and soon to be partner on the run The back story is interesting and seemingly unbelievable at times but the reader can certainly see her attraction to this likable escapee As the adventure unfolds you find yourself wanting to lecture her and root for them all at the same time As the FBI and detectives search for them you can feel all their desperation and exhaustion It finally concludes with an unexpected ending but stranger things have happened
