Blue Window:

The Blue Window Suzanne Berne, 2024-01-23 Silence has always marked Lorna's family. Her father was deaf. Her mother Marika helped rescue children as a teenage member of the Dutch Resistance yet later abandoned her own young son and daughter. No explanation was ever offered. Nor why she resurfaced decades afterward to invite Lorna, by then a married social worker with a baby, to visit her remote cottage on Lake Champlain. For the past eighteen years, Lorna has struggled to make taciturn difficult Marika part of the family if only so her son Adam could have a grandmother. But now it's Adam who's turned silent.

Blue Window Adina Rishe Gewirtz, 2018-04-03 Five siblings fall through time and space into a strange unkind world, their arrival mysteriously foretold and land in the center of an epic civil struggle in a country where many citizens have given themselves over to their primal fears and animal passions at the urging of a power hungry demagogue. When siblings Susan, Max, Nell, Kate, and Jean tumble one by one through a glowing cobalt window, they find themselves outside their cozy home and in a completely unfamiliar world where everything looks wrong and nothing makes sense. Soon an ancient prophecy leads them into battle with mysterious forces that threaten to break the siblings apart even as they try desperately to remain united and find their way home. Thirteen year old twins Max and Susan and their younger siblings take turns narrating the events of their story in unique perspectives as each of the children tries to comprehend their stunning predicament and their extraordinary new powers in his or her own way. From acclaimed author Adina Rishe Gewirtz comes a riveting novel in the vein of C. S. Lewis and E. Nesbit full of nuanced questions about morality, family, and the meaning of home.
