Christianity in Crisis Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff's award winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten

to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas *LIFT: Lord Increase Faith Today* L. Elliott Abraham Rosemarie Abraham Angela Abraham Carl Scott Jackie Scott, 2023-11-22 Are you stressed and at the end of your ropes Do you feel that you don't have the proper tools to reach out to God in prayer Many people are like you stuck in their prayer life and are lost in their faith If this is your situation you need a faith lift With this LIFT devotional prayer journal your prayer life will increase in power The ministry leadership team of Elevating Faith Ministries has put together a powerful prayer devotional that will guide you through your daily ups and downs Are you ready to increase your faith today We invite you to take this journey with us as we cry out to God daily through prayers and devotions asking God to increase our faith We believe what the Bible says in Mark 11:24 Therefore I tell you whatever you ask in prayer believe that you have received it and it will be yours In this power packed prayer devotional you will learn through heartfelt personal stories and prayers about God's faithfulness Come on get your LIFT Lord increase faith today today In this book you will learn the following How to give God your whole heart through prayer How your prayers matter to a holy God How to pray without ceasing How to stand on scripture in prayer How to find inner peace in the presence of God Blueprint Promise Orville Gilmore Jr., 2014-10-16 Many act as if the battle is against the system Moreover it will last as long as life I see it differently The fight is lifelong but with yourself How you prepare to meet these hurdles I call weeds and the upcoming future events in my opinion relies on understanding the playing field and your design Discerning this information places you above time This cornerstone of change predicts new thinking alone with a different level of faith practice and discernment leading to a pattern of success This process on paper is your preliminary Blueprint to a Promise The playing field and the lifecycle work together as change agents To enhance a feature one must reach into the spiritual realm and bring the promises provisions and authority of God's will into the natural realm to be seen by all This book features two parts The first thirteen chapters

cover preparation the next fifteen cover the action needed on the playing field The strategy is simple Make a decision believe in that decision act as if you already have it give thanks and praise to your God The unconscious purpose is to tell time what time it is We turn learning into discerning The skim through feature in the first four chapters will get you started **Good Faith** Roger R.
