presents a very useful introduction to a complicated subject He begins with an essay on the history of Asia which despite its
brevity will be useful for the collector targeted by this book Individual chapters range from ceramics and metalwork to prints
paintings and textiles the chapter on The Artisan and Craftsman examines the quality condition and authenticity of works in
areas such as arms armor glass ivory and jewelry The book contains appendixes of chronological tables and major marks on
Chinese and Japanese works of art as well as an index and a fine bibliography The narrative does not confuse readers new to
the subject with excessive detail and the photographs are clear and very instructive A beautiful book at a reasonable price
this volume contains an amazing wealth of information on a very broad subject Recommended for both public and academic
