Frank Merriwell and the Fiction of All-American Boyhood Ryan K. Anderson, 2015-09-09

Standish made a career of generating serialized twenty thousand word stories featuring his fictional creation Frank Merriwell a student athlete at Yale University who inspired others to emulate his example of manly boyhood Patten and his publisher Street and Smith initially had only a general idea about what would constitute Merriwell's adventures and who would want to read about them when they introduced the hero in the dime novel *Tip Top Weekly* in 1896 but over the years what took shape was a story line that capitalized on middle class fears about the insidious influence of modern life on the nation's boys Merriwell came to symbolize the Progressive Era debate about how sport and school made boys into men The saga featured the attractive Merriwell distinguishing between good and bad girls and focused on his squeaky clean adventures in physical development and mentorship By the serial's conclusion Merriwell had opened a school for weak and wayward boys that made him into a figure who taught readers how to approximate his example In *Frank Merriwell and the Fiction of All American Boyhood* Anderson treats *Tip Top Weekly* as a historical artifact supplementing his reading of its text illustrations reader letters and advertisements with his use of editorial correspondence memoirs trade journals and legal documents Anderson blends social and cultural history with the history of business gender and sport along with a general examination of childhood and youth in this fascinating study of how a fictional character was used to promote a homogeneous normal American boyhood rooted in an assumed pecking order of class race and gender
