Chips And Pop Decoding The Nexus Generation:

Chips and Pop Robert Barnard, Dave Cosgrave, Jennifer Welsh, 2000-04 *Chips & Pop* Robert Barnard, Dave Cosgrave, Jennifer M. Welsh, 1998 By definition this generation those born between the early sixties and late seventies has no hard edges It is a generation based on formative experiences and pivotal events rather than specific birthdates and cohort size Essentially you are a Nexus if you first felt the effects of the computer chip and global media at some point during your formative years This means you could have encountered a PC for the first time in university or mastered Pong the first video game at the age of seven You could be Nexus if you watched live CNN coverage of the Gulf War at high school saw the space shuttle Challenger blow up in high school or were the first kid in your neighbourhood with cable TV and a remote control p 17 18

Generational Career Shifts Eddy S. Ng, Sean T. Lyons, Linda Schweitzer, 2018-02-28 Offering an overview of existing research and drawing upon the authors own study of approximately 3 000 students and knowledge workers this book documents how careers have fundamentally shifted over the past five decades and offers crucial insights into what these shifts mean for employers and their management strategies

Reeducating the Educator Helen Christiansen, S. Ramadevi, 2012-02-01 Reeducating the Educator focuses on community building within teacher education programs in Canada Israel Australia and the United States Maintaining that communities have to be built and sustained the contributors discuss possible theoretical frameworks underlying community building and change and suggest that there is a need for teacher educators to go beyond localized experiences and reach out to one another in a global discussion Because of the impact of local cultures and histories key questions and issues vary from one country to another and even from one faculty to another but the resulting global conversation provides a greater understanding of the professional development of teachers and teacher educators

The War for Talent Ed Michaels, Helen Handfield-Jones, Beth Axelrod, 2001 In 1997 a groundbreaking McKinsey study exposed the war for talent as a strategic business challenge and a critical driver of corporate performance Then when the dot com bubble burst and the economy cooled many assumed the war for talent was over It s not Now the authors of the original study reveal that because of enduring economic and social forces the war for talent will persist for the next two decades McKinsey move beyond recruiting hype to build a long term recruiting strategy use job experiences coaching and mentoring to cultivate the potential in managers and strengthen your talent pool by investing in A players developing B players and acting decisively on C players Central to this approach is a pervasive talent mindset a deep conviction shared by leaders throughout the company that competitive advantage comes from having better talent at all levels Using practical examples from companies such as GE The Home Depot PerkinElmer Amgen and Enron the authors outline five imperatives that every leader from CEO to unit manager must act on to build a stronger talent pool Written by recognized authorities on the topic this is the definitive strategic guide on how to win the war for talent

American Youth Cultures Neil Campbell, 2004 Ten essays by British US and Canadian academics explore popular books

films and television shows for clues to the meanings of youth representation in American culture Drawing on a framework of ideas from cultural and social theory they consider themes such as race class gender power and sexuality as well as the ideological nature of youth and its centrality to American popular culture Originally published in 2000 as *The Radiant Hour Versions of Youth in American Culture* U of Exeter Press Annotation 2004 Book News Inc Portland OR booknews com

Managing the New Workforce Eddy Ng, Sean T. Lyons, Linda Schweitzer, 2012-01-01 Millennials the latest generation to enter the global workforce are changing the face of employment This volume represents the most up to date research on the changes and issues from an international cast of generational researchers Shifting demographics around the world have created a unique historical phenomenon in which a large cohort of employees i e post war Baby Boomers are nearing retirement and a new cadre of younger workers are being recruited to replace them These twenty something year olds often referred to as Gen Y or Millennials represent the workforce of the future and come with their own set of expectations demands and work habits The contributors to this volume drawn from countries around the world document the cultural historical and social context surrounding this phenomenon The international perspective makes it possible to examine cross cultural similarities and differences in HRM practices This timely book provides an understanding of the new workforce in multiple countries and settings and a valuable reference as scholars and employers seek to understand the values beliefs and expectations of the next generation of workers While scholars and instructors will find this book indispensable the book will also have implications for domestic and multinational employers managers HR practitioners and career counselors

Teaching Information Systems Mark I. Hwang, 2024-01-18 Issues related to teaching and learning information systems concepts have received keen interest from IS academics since the discipline s inception over 60 years ago Bringing together cutting edge research from over 30 international experts *Teaching Information Systems* presents a timely assessment of critical issues associated with the IS curriculum the learner and the learning environment Understanding the Role of Indonesian Millennials in Shaping the Nation's Future Ju-Lan Thung, Maria Monica Wihardja, 2024-02-05 Millennials or Generation Y those born between 1981 and 1996 represent the population cohort who are moving into the prime of their careers and lives It is this generation that is being groomed to take up leadership roles in various sectors of society In Indonesia those from the millennial generation are slated to take up positions as leaders in various important spheres of society However the country s demographic changes call for comprehending the intergenerational gap that is at the core of the so called millennial disruptions This book is a compendium of writings to provide a broad picture of the role of millennials in Indonesia s future One chapter covers generational differences in life course events two chapters cover the role of millennials in changing the political landscape two chapters delve into generational differences in risk taking behaviours in the financial sector and digital competency among MSME entrepreneurs two chapters examine millennials religious views on the cryptocurrency economy and generational differences in the spiritual process of self discovery and two chapters study

participatory art among millennials and how millennial artists respond to NFT technology The Radiant Hour Neil Campbell, 2000 Taking the title from an American studies course at the University of Derby scholars and writers there and in North America enter the debate over the meanings of youth representation in American culture emphasizing the ideological nature of youth and its centrality to a complex reading of popular culture The eight essays examine issues of gender race and sexuality as central to the construction of youth identity and to the other significant relationships between youth and authority Distributed in the US by David Brown Book Company c Book News Inc Baby, Boom, Boom-Baby, It's You! Terry Wayne Brownlee, 2010-11-29 The writing of this book goes back some 14 years ago reading a book *Out Of The Garden Toys and Children s Culture In to The Age Of TV Marketing* By Stephen Kline This would show how through Children programming its popular culture advertisers and marketers through market strategy get us to buy their products I knew from the beginning that it would be a hard sell to try and give you a heads up into how we all be doped coned persuaded into wanting you to know how this happened and played a big part in everyone life at any given age or generation you were part of As I put it When you were born your story begins We all know the news event of each decade and the popular Movies and music But did you have any ideas how we all each decade unfolds how our spending habits came to be what were the influences how you drove your parents crazy into buying what you wanted And your parent themselves and buy public itself into buying their next purchase I hope you can see the pattern You and I are so different but I m sure very much the same we just have our own story to tell **Generational Diversity at Work** Emma Parry, 2017-09-29 Over the past decade much attention has been paid to the apparent differences in consumption preferences or workplace attitudes and behaviours across generations Within Western economies such as the USA UK and Australia it is commonly assumed that that there are now four generations in the workplace namely Veterans born 1925 1942 Baby Boomers 1943 1960 Generation X 1961 1981 and Generation Y 1982 2000 The concept of generational differences at work is one that has recently been adopted by practitioners as a basis on which to design human resource management and career management practices However there has been some concern in academic circles about the validity of the notion of generations and the evidence base that supports it There is therefore a need for new perspectives and methodological approaches to investigating generational differences at work in order to establish the validity and value of generations as an axis of diversity **Generational Diversity at Work** New Research Perspectives will address this need by presenting and discussing research into generational diversity that adopts a range of new theoretical perspectives or methodological approaches This book is designed as a first step in addressing the need to critically examine the theoretical and empirical basis for generational differences and to provide some new empirical data in this area **The Multi-generational and Aging Workforce** Ronald J. Burke, Cary L. Cooper, Alexander-Stamatios G. Antoniou, 2015-07-31 The workforce is aging as people live longer and healthier lives and mandatory retirement has become a relic of the past Though workforces have always contained both younger and older

employees the age range today has expanded and the generational g What Makes Kids Kick Fran Kick,2005 What Makes Kids Kick is the groundbreaking first book in Fran Kick s insightful series exploring the Millennial Generation This essential guide serves as a comprehensive compass for educators youth group leaders parents coaches and anyone working with today s postmodern kids born between 1980 2000 Drawing from over two decades of nationwide experience speaking and working with both young people and the adults who guide them author Fran Kick delivers a unique blend of research backed insights and real world wisdom The book weaves together an extensive collection of studies surveys research articles and news stories with compelling personal anecdotes to create a fresh framework for understanding this dynamic generation What Makes Kids Kick goes beyond surface level observations to explore the deeper influences and inspirational factors shaping Millennial minds Readers will discover the cultural technological and social forces that drive today s youth gaining valuable perspective on what motivates and inspires them This engaging and informative resource transforms how adults view and interact with the Millennial Generation Rather than focusing on generational gaps or challenges Kick provides practical strategies for raising teaching managing leading and mentoring young people more effectively The book s ultimate goal is empowering adults to help cultivate a more self motivated generation of kids one equipped with the attitude and skills necessary to KICK IT IN TAKE THE LEAD Whether you re struggling to connect with young people in your classroom home or community this book offers the tools and understanding needed to bridge generational divides and unlock their potential What Makes Kids Kick is both entertaining and educational making complex generational research accessible and actionable It s an indispensable resource for anyone committed to understanding and successfully working with the Millennial Generation Moral Panics Over Contemporary Children and Youth Charles Krinsky,2008 A truly international collection

this volume features new global research examining the cultural construction of youth through the dissemination of moral panics This is the first book to make the most of the latest contemporary research to examine this **Race In Play** Carl E. James,2005-04-01 In Race in Play James takes the reader on an edifying walk through the structural and institutional communities that support and sustain sports while also examining individual links between sport schooling and the educational and career aspirations of youth He also explores issues of race racialized minority youth and Black men and women in sport Well known for his work in the sociology of sport Dr James builds on his earlier research casting his gaze on the lived experiences of athletic identified students and on the outcomes of their athletic and academic performances

Digital HR Amelia Manuti,Pasquale Davide de Palma,2023-12-12 This book draws on recent debate surrounding the emergence of cognitive intelligence in organizations exploring the redefinition of the labor market and consequently employment Now in its second edition it has been re conceived to reflect the huge transformation experienced by organizations and individuals following the COVID 19 pandemic which has changed our understanding of the meaning of working and has reshaped HRM and its function within organizations With a particular focus on Human Resource

Management HRM the authors analyse the socio cultural transformation of traditional practices and methodologies that are occurring in the workforce Digital HR presents detailed case studies and interviews with HR managers of large multinational companies providing comprehensive empirical evidence for academics and students interested in the development of HRM in today s digital landscape The book will also be valuable to practitioners and managers looking to adapt the role of HR in their own companies or organizations

Spree Pamela Klaffke,2003 In this age of high consumption shopping is going stronger than ever as a national pastime We are a culture obsessed and beguiled by the desire for consumer goods Journalist and shopping addict Klaffke documents the history of shopping from a time when cattle were currency to the current age of contemporary shopping phenomenon like QVC and eBay From the history of the mall to a look at the darker side of shopping culture kleptomania shopping addictions anti consumerism this is the definitive chronology of the materialist age
