Alliteration, Again and Again Larry J. Kricka, 2013-03-04 The genesis of the alliterations in this book was an email exchange in 2001 with a colleague in Albany New York In the emails we traded alliterations back and forth variously signing our emails Phrantic in Philadelphia Accommodating in Albany Perplexed in Philadelphia and finally Alliterative in Albany This email exchange was ultimately the inspiration for my first alliteration about the city of Albany I then set myself the challenge of exploring the alliterative possibilities of each letter of the alphabet and this slim volume of alliterative verse Alliteration Again and Again is the culmination of that endeavor My earnest hope is that this work will not be dismissed as Alliteration an author affliction and awful addiction avoiding any actual artistic achievement
