

LEGAL REPRESENTATION IN THE EUROPEAN UNION (EU)

To launch a cosmetic product in the EU, it is crucial to comply with multiple regulatory requirements related to product notification, labeling and claims, safety report (CPSR) preparation, and product dossier (PIF), amongst others. One such important part is having an EU Responsible Person (RP) for Legal Representation. In the EU, it is mandatory to have an RP based in the EU, who can carry out specified tasks in relation to the obligations of the EU Cosmetics Regulation.

THE EU RP CAN BE

RESPONSIBILITIES OF THE EU RP INCLUDE

Product safety with respect to human health and the creation of a Cosmetic Product Safety Report (CPSR)

Maintenance of the Product Information File (PIF)

Notification in the Cosmetic Products Notification Portal (CPNP)

Legal compliance in accordance with the EU cosmetics regulations

Assurance of compliance with Good Manufacturing Practices (GMPs)

Compliance with labeling requirements, including claims substantiation

Ongoing monitoring of the product and contacting relevant authorities, if needed

Institutional Design and Voting Power in the European Union Karol Zyczkowski, 2016-05-23 Leading global experts in the field of politics and mathematics bring forth key insights on how voting power should be allocated

between EU member states and what the policy consequences are of any given institutional design. Close attention is paid to the practical implications of decision making rules, the nature and distribution of power and the most equitable ways to represent the preoccupations of European citizens both in the Council and European Parliament. Highly theoretical and methodologically advanced, this volume is set to enrich the debate on the future of the EU's institutional design. A valuable source of information to scholars of political science, European studies and law as well as to people working on game theory, theory of voting and in general applications of mathematics to social science.

The Encyclopedia of Public Choice
 Charles Rowley, Friedrich Schneider, 2008-01-25. The Encyclopedia provides a detailed and comprehensive account of the subject known as public choice. However, the title would not convey sufficiently the breadth of the Encyclopedia's contents, which can be summarized better as the fruitful interchange of economics, political science and moral philosophy on the basis of an image of man as a purposive and responsible actor who pursues his own objectives as efficiently as possible. This fruitful interchange between the fields outlined above existed during the late eighteenth century during the brief period of the Scottish Enlightenment when such great scholars as David Hume, Adam Ferguson and Adam Smith contributed to all these fields and more. However, as intellectual specialization gradually replaced broad-based scholarship from the nineteenth century onwards, it became increasingly rare to find a scholar making major contributions to more than one. Once Alfred Marshall defined economics in neoclassical terms as a narrow positive discipline, the link between economics, political science and moral philosophy was all but severed and economists redefined their role into that of the humble dentist providing technical economic information as inputs to improve the performance of impartial, benevolent and omniscient governments in their attempts to promote the public interest. This indeed was the dominant view within an economics profession that had become besotted by the economics of John Maynard Keynes and Paul Samuelson immediately following the end of the Second World War.

Legitimizing the European Union J. Mather, 2006-10-10. This is a study in EU legitimacy from the perspective of EU citizens. Mather argues that legitimacy is empirical; legitimacy only exists if people feel that it does and that the EU is a unique and dynamic institution; hence legitimating factors are also evolutionary.

Lobbying in the European Union Doris Dialer, Margarethe Richter, 2018-12-11. This book sheds new light on how lobbying works in the European Union. Drawing on the first-hand professional experience of lobbyists, policymakers and corporate and institutional stakeholders combined with a sound academic foundation, it offers insights into successful lobbying strategies such as how alliances are formed by interest groups in Brussels. The authors present key case studies, e.g. on the shelved EU-US trade deal Transatlantic Trade and Investment Partnership (TTIP), lobbying scandals and the role of specific interest groups and EU Think Tanks. Furthermore, they highlight efforts to improve transparency and ethical standards in EU decision making while also underscoring the benefits of lobbying in the context of decision making. Understanding the tools and techniques of effective lobbying as well as the dynamics and trends in EU lobbying will allow professionals involved in the lobbying process such as policymakers and

corporate and institutional stakeholders to improve their performance and achieve better results when pursuing their respective interests Journal of Economic Literature ,2003 *A Democratic Audit of the European Union* C. Lord,2003-11-30 A Democratic Audit of the European Union provides a systematic assessment of democracy in the EU against clearly defined criteria Christopher Lord offers a double challenge to generalizations about a democratic deficit in the EU On the one hand it shows that standards of democratic performance in the EU may vary across Union institutions and decision making processes On the other hand it shows that they can vary across key dimensions of democratic governance including citizenship rights participation representation responsiveness transparency and accountability *The European Union Diplomatic Service* Caterina Carta,2013-03 This book is the first to comprehensively examine the institutional dynamics that characterize the diplomatic system set up by the European Communities and the European Union currently the foremost experiment in non state diplomacy It analyses European Union Diplomatic Service s work on foreign policy and external economic relations both in Brussels and in the Commission s Delegations across the world Reconceptualising European Equality Law Johanna Croon-Gestefeld,2017-02-23 This important new book seeks to widen the understanding of the principle of equality within European law Firstly it deconstructs the European Court of Justice s adjudication of cases in the field It then explores how the Member States courts decide on the question of equality This detailed rigorous research allows the author to argue for a reconceptualised equality doctrine Such an adaptation the author argues will provide judges practitioners and academics with the tools to balance institutional considerations against substantive interpretation Theoretically ambitious while grounded in practical application this is a significant restatement of one of the key principles of European law the equality doctrine *The European Union* Elizabeth Bomberg,John Peterson,Richard Corbett,2012 *The European Union How Does It Work* is a perfect introduction to the European Union providing concise accessible coverage of the main actors policies and developments in the EU An expert team of leading scholars and practitioners cuts through the complexity to explain how the EU works in theory and practice The book equips readers with the knowledge and skills required to master the subject Helpful learning features throughout the text help to develop readers understanding of the EU How it really works boxes demonstrate the working of the EU in practice and challenge readers to contrast this with theoretical perspectives Key terms and concepts boxes provide concise definitions or summaries of words and ideas that are essential to understanding the EU And each chapter contains Spotlight boxes exploring specific cases that highlight how the EU works what it does or how it has evolved Taken together these features encourage readers to think critically about the reality of politics in the EU This edition explores ongoing challenges to the EU including the COVID 19 pandemic the UK s withdrawal from the EU and the erosion of democratic standards in some EU member states
