Flying Magazine ,1947-11 **Constitutional Choices** Laurence H. Tribe,1985 Challenging the ruling premises underlying many of the Supreme Court s positions on fundamental issues of government authority and individual rights Tribe shows how the Court is increasingly coming to resemble a judicial Office of Management and Budget straining constitutional discourse through a managerial sieve to defend its constitutional rulings Tribe explains how the Court s calculus systematically excludes basic concerns about the distribution of wealth and power and conceals fundamental choices about the American polity Calling for a more candid confrontation of those choices Tribe exposes what has gone wrong and suggests how the Court can reclaim the historic role entrusted to it by the Constitution ISBN 0 674 16538 1 29 95 *The Nation* ,1893 **New England Journal of Education** Thomas Williams Bicknell,Albert Edward Winship,Anson Wood Belding,1877 Undergraduate Guide: Two-Year Colleges 2011 Peterson's,2010-08-24 Peterson s Two Year Colleges 2011 includes information on nearly 2 000 accredited two year undergraduate institutions in the United States and Canada as well as some international schools It also includes scores of detailed two page descriptions written by admissions personnel College bound students and their parents can research two year colleges and universities for information on campus setting enrollment majors expenses student faculty ratio application deadline and contact information SELLING POINTS Helpful articles on what you need to know about two year colleges advice on transferring and returning to school for adult students how to survive standardized tests what international students need to know about admission to U S colleges and how to manage paying for college State by state summary table allows comparison of institutions by a variety of characteristics including enrollment application requirements types of financial aid available and numbers of sports and majors offered

Office of Technology Assessment,1992 And policy options Testing in transition Educational testing policy The changing federal role Lessons from the past A history of educational testing in the United States How other countries test Standardized tests in schools A primer Performance assessment Methods and characteristics Information technologies and testing Past present future List of acronyms Contractor reports

Congressional Record United States. Congress,1994 *Schools, Vouchers, and the American Public* Terry M. Moe,2004-05-13 Moe s new book is not an argument for or against vouchers it is an analysis of public opinion on vouchers that is likely to be very influential in shaping the movement s future Moe has written a nuanced and thoughtful treatise that goes beneath the notoriously unreliable single shot question favored by the media Do you favor or oppose school vouchers Richard D Kahlenberg in *The Nation* In a brilliant definitive analysis of the subject Terry Moe tells us who does and does not like vouchers as well as who says they will use them if the opportunity arises He illuminates not only the school choice debate but the nature of public opinion more generally Paul E Peterson Harvard University No book tells us more about how Americans evaluate schools This book will be the starting point for anyone interested in any school reform not just vouchers A model analysis of public opinion on a public policy Samuel Popkin University of California San Diego Finally a book on school vouchers that explores what ordinary Americans want and believe when thoughtfully engaged on the issue Stephen D Sugarman University of California

Equality in Education Law and Policy, 1954-2010 Benjamin M. Superfine,2013-03-11 Educational equality has long been a vital concept in US law and policy Since *Brown v Board of Education* the concept of educational equality has remained markedly durable and animated major school reform efforts including desegregation school finance reform the education of students with disabilities and English language learners charter schools voucher policies the various iterations of the Elementary and Secondary Education Act including No Child Left Behind and the Stimulus Despite such attention students educational opportunities have remained persistently unequal as understandings of the goals underlying schooling fundamental changes in educational governance and the definition of an equal education have continually shifted Drawing from law education policy history and political science this book examines how the concept of equality in education law and policy has transformed from *Brown* through the Stimulus the major factors

influencing this transformation and the significant problems that school reforms accordingly continue to face **America**
