Choosings For Kids Choosing The Right For The Right Child At The Right Time

Russell Rhyne

Choosings For Kids Choosing The Right For The Right Child At The Right Time:

The Act of Choosing Russell Rhyne, 2003-09 Choosing Selecting a path when reason cannot show which way to go Choosing pervades our lives nourished by evolutionary roots that stretch back 4 000 000 years It activates freedom and indexes social openness and only the person who chooses can mature One who chooses not to choose ignobly shuns responsibility and cannot honorably say I Choosing central to initiative sparks the economy that feeds earth's swollen population Choosing works on policy issues that dispassionate reason cannot handle and nothing less than good choosing will see us through these interesting times However the melding of reason with choosing gave our species its edge over all the other hominids Context matching theory helps us voters CEOs legislators choose well by telling us the nature of the act of choosing CM theory directly opposes DA's rational models painting choosing as a swift natural happening basically intuitive and non mystical It exposes the prerequisites to good choosing Theoretical impractical No way There is nothing so practical as a good theory Kurt Lewin and Dr Rhyne spends two thirds of this book exploring the many very practical often revolutionary implications of his good theory Do you want to choose better Learn how you choose **Right and Wrong and Being Strong** Lisa O Engelhardt, 2014-10-21 Kids aren't born knowing right from wrong But somehow over the years we hope to help them become caring responsible respectful adults This practical how to book for kids is an invaluable tool in guiding children on the journey of moral development Through concrete language and interactive examples it addresses such topics as honesty peer pressure and how to tell right from wrong Even more it shows kids how to go beyond doing right to doing good **Healthy Choices, Happy Kids** Foster W. Cline, Lisa C. Greene, Gina L. May, 2014-05-01 Audience Children and parents Summary Teaching kids to evaluate choices understand consequences and make good decisions is vital to ensuring a lifetime of success Fun stories colorful illustrations including a find the frog game and easy to relate to characters will help children understand the best ways to deal with the many important self care issues they will encounter including choosing the right foods brushing teeth washing hands taking medicine taking a bath exercising and more **Making the Right Choices** Corey L. Gaines, 2008-05 For children and teenagers the world is a great big place filled with many decisions to be made on a daily basis Making the Right Choices Volume One is an educational and very readable guidebook for youngsters struggling with the normal problems and question in their lives In this tale young Corey needs to decide whether or not to join a gang He thinks it might be easy but he doesn't realize how much his decision will affect not only himself but family and friends around him Intended to help young readers and their loved ones explore all aspects of decision making Coreys tale will help children of all ages learn the importance of Making the Right Choices **The Best You: Making Things Right** Dona Herweck Rice, 2017-09-01 Making the right choices and being a good person is easy when you feel happy But what happens when your feelings are hurt Or what if you hurt someone else's feelings Saying I forgive you or I am sorry is a great start This full color nonfiction reader will engage students in reading while introducing them to new vocabulary terms

and concepts Important text features include a glossary and a table of contents to develop students comprehension and literacy skills This book aligns with national and state standards and features exciting TIME For Kids content to keep grade 2 students engaged in learning 2nd Big Book of Children's Topics of Quality Jd Buzzard,2024-12-17 A big book of adventures are found within to help children and adults learn how to make the right choices in life Combining books six 6 through ten 10 and stories within the Children s Topics of Quality Making the Right Choice series this big book find children and adults learning through exciting adventures events and activities on how to make the right decisions in their journey through life one adventure at a time **Making Good Choices** Lisa O Engelhardt,2014-08-19 Learning to do the right thing is a lifelong task Because children are newcomers on the path of social moral and spiritual development they need caring guides to help them along the way In Making Good Choices A Book about Right and Wrong Just for Me author Lisa O Engelhardt helps children learn from their everyday choices and experiences to give them the skills and perspectives necessary to become compassionate caring and responsible adults **1st Big Book of Children's Topics of Quality** Jd Buzzard,2024-12-10 A big book of adventures are found within to help children and adults learn how to make the right choices in life Combining books one 1 through five 5 and stories within the Children s Topics of Quality Making the Right Choice series this big book find children and adults learning through exciting adventures events and activities on how to make the right decisions in their journey through life one adventure at a time **Judge Judy Sheindlin's You Can't Judge a Book by Its Cover** Judge Judy Sheindlin,2001-02-06 Judge Judy Sheindlin s Win or Lose by How You Choose her first children s book wowed critics and topped bestseller lists by presenting kids with questions about real life dilemmas and asking them to select the right response from a list of choices Now with Judge Judy Sheindlin s You Can t Judge a Book by Its Cover judge Judy tackles the moral choices kids encounter every day at school It s in the schools that kids can face their toughest tests of character judge Judy helps them prepare by examining the deeper meaning behind popular sayings such as Never put off to tomorrow what you can do today and You can t judge a book by its cover and applying these rules of thumb to familiar school situations By setting up recognizable scenarios and then challenging kids to judge which of four responses best fits the case Judge Judy creates a plat form for adults and children to talk through the answers together exploring moral choices and weighing the consequences their decisions could bring Judge Judy dares kids to judge for themselves and to make the right choice **Behaviour Matters: Koala Makes the Right Choice** Sue Graves,2021-01-12 This funny charming story is the perfect way to introduce young children to choices and helps them find ways to make decisions and understand consequences Also included are suggestions for activities and ideas to talk through together to help children understand their behaviour **5th Big Book of Children's Topics of Quality** Jd Buzzard,2025-06-30 Combining books twenty one 21 through twenty five 25 and stories within the Children s Topics of Quality Making the Right Choice series this big book find children and adults learning through exciting adventures events and activities on how to make the right

decisions in their journey through life one adventure at a time plus a bonus story at the end *No Means No!* Jayneen Sanders, 2017-06-12 Meet an empowered little girl who knows all about body boundaries consent and respect and her right to say No when it comes to her personal space No Means No endeavours to teach young children that they have a body boundary and people young and old need to respect this boundary and ask for consent before entering it Using engaging illustrations that focus on familiar scenarios such as greetings tickling games and bath time children will come to understand that they have a voice and every right to speak up when they feel unhappy unsafe or uncomfortable A strong confident voice as a young child converts to a strong confident pre teen teenager and adult No Means No can be used as a springboard for ongoing discussions around body autonomy and consent Also included is a comprehensive Note to Reader and in depth Discussion Questions for parents caregivers and educators to further enhance the learning and to initiate important conversations around body boundaries consent and respect *Cameron Chooses Kindness* Jeff Kirby, 2022-12-16 Your child is faced with tough choices all day long and it is up to them to make the correct one each time to create a day of happiness and success Cameron just like you faces tough choices all day long Help him choose the right answer not the one that is wrong If you choose correctly move ahead to the next Help him get through the day with the choices that are best Your child will learn to listen share be respectful give kindness show patience always behave be helpful show compassion be humble and be courteous A great book for any teacher school or child s book collection This will hopefully help your child develop that life long knowledge of always choosing the right decision and how that leads to a life full of happiness It has a fun rhyming rhythm that will keep your child engaged all the way through **Right Or Wrong Coloring Book** Quynh Choleva, 2021-12-18 Making good decisions is like any other skill it has to be learned Teaching your child to make choices is one of the most important elements of raising a well behaved resourceful child This coloring book strengthens your child s ability to express right and wrong It helps children regulate their behavior and gives them the willpower to make good decisions and choices Through coloring children can relax unwind and de stress which makes learning easier as well as fun The child friendly instructions are easy to follow Cute illustrations make the book exciting while inspiring children to think The book opens the door for important conversations while fostering creativity a love of learning and the importance of understanding right and wrong This book makes a great gift and is a must have for any household or space with children Behavior Management and Self Regulation Boost engagement with this fun interactive resource about types of making good and bad choices This is a great way to introduce behavior choices both in the classroom and outside in all daily situations Use this visual to teach your kids the difference between good choices and bad choices they can make A really good and fun way to teach kids about kindness behavior danger safety and so much more in a fun engaging way Behavior management activities Let s start with the bad news Teachers can t actually control their students behavior That s because the only behavior a person can control is his or her own And when teachers try to directly restrict what students say or do they re

usually left feeling frustrated and helpless The good news Teachers can apply some evidence based strategies to help students take charge of their own behavior and learn how to interact with their environment in a positive way In dealing with young children you will inevitably have situations where you will need to provide some discipline for a misstep in behaviour We all want our kids to be respected and well liked by others A perfectly mannered child or adult for that matter is probably a mythical creature It s human to make mistakes while interacting with others and it s important to use those times as teachable moments for children It helps to always keep in mind that children are learners They are learning how to control their emotions act in different situations and manage their behavior If you can think of each situation as a learning opportunity you may find success Behavior is a form of communication For kids with ADHD poor behavior usually blossoms from a skill deficit A child who s unable to express his frustration verbally may instead throw his pencil across the room a child who feels socially ostracized may respond by pushing a classmate on the playground The only way to prevent these undesirable outcomes is for teachers to identify the root causes of bad behavior and set up systems that promote greater self awareness and self control This resource has been teacher tested and approved works great for large or small groups at learning centers as a content assessment tool This is also excellent for kids with autism ADHD or other special needs This is great for mixed groups substitute lesson plans language sampling progress monitoring storytelling and articulation carryover

Colour is not only exciting for a child but it also helps with their learning **Left Or Right** Mweusi Group,Emmett Orr, IV,William Watkins,Willie Slaton, IV,2021-06-15 Left or Right is a story of two best friends James and Langston who each have to make decisions about their day This book is meant to illustrate the importance of making good decisions and understanding the consequences of the choices we make on a daily basis No matter the outcome of that day learning to make the best decision in order to have the best possible tomorrow is what Left or Right will instill It is our hope that this book will help teach kids the importance of making good decisions that will translate to life long lessons **Making Good Choices** Moira Claase,Audrey Newton,2014 Making Good Choices is a series of lessons designed to help teachers and families work together to develop children s understanding of right and wrong This is the second book in a Series of two and is the Activity Book for Children Ella's Choice Gaiathry Jeyarajan,2021-04-28 Children are meant to listen all the time right Wrong Not Ella It s time everyone listened to HER about what is NOT okay Fierce little Ella wants everyone to know that her voice is important too But will her parents support her Will her friends respect her Let s find out Does your child know what consent means Does your child know what a personal boundary is These are life skills that children should learn from their loved ones However conversations about consent and boundaries with young children are challenging Let Ella s story guide you in a way that your child can relate to Ella s Choice is a must have for any parent who wants to empower their child s voice and foster healthy emotional development *Right and Wrong and Being Strong* Lisa O. Engelhardt,2001-04 Growing up in today s fast paced world can be a land mine for kids How do they know right and wrong when so much that surrounds them makes

so many things seem relative This book is designed to help children to be thinking in the right direction in terms of right and wrong as well as give parents and other caring adults a valuable tool to help them in their care for children With the colorful helpful Abbey Elves as guides the book steers children through the turbulent waters of wrong to the peace that comes from doing the right thing **Maybe Right, Maybe Wrong** Dan Barker,2011-04-29 This book affirms a child s ability to think about moral issues and to question Why It offers tools for critical thought while painlessly teaching situation ethics *Am i Right* Steve Lanning,2019-06-10 *am i right* is a story about a little boy named Sam At school it appears that Sam is having difficulty following a simple Math class The teacher was teaching simple addition $2 + 2 = 4$ Sam was following the Math class perfectly well although his calculation was $2 + 2 = 5$ how could this be With expressive illustrations and simple text this short story teaches children that two people can be right at the same time Is it not a fact that children today are faced with a very complex and fast changing world The ibook core values for kids series has been designed to help children on their challenging journey of growing up and identifying who they are and making sense of the world they live in The lessons learned from each story will help children to understand that everything in life is choice and that they can choose based on their own values *am i right* is about accepting differences in others and seeing beyond the obvious If children are able to learn and adopt this value they will be able to avoid all kinds of conflict
