

The image depicts the entrance to a tomb, carved into a dark, textured rock. A large, smooth stone has been rolled away to the left, resting on the ground. The opening of the tomb reveals a bright, golden sunrise or sunset, with the sun low on the horizon. In the distance, three crosses are silhouetted against the glowing sky. The overall atmosphere is one of hope and new beginnings.

Christ In Easter:

The Risen One Scott James, 2021-09-28 How is your family preparing for Easter Through this short and sweet devotional especially helpful if you're teaching little ones with short attention spans Scott James brings to light the many things that Christ's life and resurrection means for us not only through the season of Lent but all year long These weekly devotions which are designed for both family and individual use are timeless and moving reminders of the miracle of Jesus' life, ministry, death and resurrection The Risen One is a perfect and doable gift for any growing family or beloved friend who needs meaningful and biblical reminders of all Jesus is for them and how much God loves them during the busy and the bustle of the Easter season setting him back in the center of it all Whether used as a follow up to The Expected One or used on its own The Risen One is a deeply encouraging devotional helping each of us experience all that Jesus is for us in the Easter story

Easter Stories and Sermons S. I. Avana, 2003 Easter is not about mauve hats nor chocolate Easter bunnies What it is about is joy the joy and therefore hope of the resurrection from death of the Lord Jesus Christ The thought behind this book was to gather stories related to Easter's message and blend them with some particularly piercing sermons given on Easter Day when perhaps some inspiration might have seeped through the cobblestones of society's day to day clatter And surely life, society and daily thinking have changed immensely during the last 20 centuries 20 years and perhaps even 20 minutes Yet if one reads the biblical texts the overriding concerns of the people of that time do not differ much from our own Jesus Christ's resurrection from death brought about a large scale change in life's equation however The message is not hard to understand even in today's world It is hoped that this modest book will remind readers of what they should already know

Resurrection and the Message of Easter Xavier Léon-Dufour, 1974 [The Meaning of Easter \(Pack of 25\)](#), 2019-01-31 The resurrection proved Christ's substitutionary sacrifice was fully accepted by his Father This truth about Easter invites all to trust in Christ **This Risen Existence** Paula Gooder, 2015-03 Following the pattern of her Advent book *The Meaning Is in the Waiting* Paula Gooder leads us on a biblical exploration of the resurrection accounts in each of the Gospels and in Paul's writings as well as the account of the Ascension and coming of the Spirit at Pentecost in Acts Arranged for daily reading through the seven weeks of Eastertide This Risen Existence opens with an extended reflection on ancient and contemporary understandings of resurrection **The Jewish Pesach and the Origins of the Christian Easter** Clemens Leonhard, 2012-02-14 The study assesses the main issues in the current debate about the early history of Pesach and Easter and provides new insights into the development of these two festivals The author argues that the prescriptions of Exodus 12 provide the celebration of the Pesach in Jerusalem with an etiological background in order to connect the pilgrim festival with the story of the Exodus The thesis that the Christian Easter evolved as a festival against a Jewish form of celebrating Pesach in the second century and that the development of Easter Sunday is dependent upon this custom is endorsed by the author's close study of relevant texts such as the Haggada of Pesach the Poem of the four nights in
