Christ The Placenta:

Body-Poetics of the Virgin Mary Jane Petkovic, 2021-05-25 The Judeo Christian scriptures understand humans as being made in the image of God What exactly does this mean Basic agreement is that it means humans can only know and understand themselves in relation to God If however this God is pure uncreated spirit where does human embodiment fit in Is it an obstacle to understanding Or is it in some way instructive John Paul II comes down decisively in favor of the body's value and importance In his catechetical series widely known as the Theology of the Body John Paul II analyzes what is distinctive about human beings He undertakes a reading of the body This book reflects on John Paul II's interpretation extending his findings to the Virgin Mary Her specifically female maternal body is seen to offer insights into how the body images God in how it speaks The transformations of the female body parallel the transformations of language in poetry The reconfigurations and accommodations of the gestational body are this book suggests poetic incarnations of God likeness Body Poetics of the Virgin Mary offers a Mariological slant on theological anthropology and a new way to think of how humans poetically image God

Childbirth Handbook Jennifer Vanderlaan,2008 Providing Christian expectant parents with the tools and information they need to plan for the arrival of their new baby Applying Biblical principles to the process of giving birth while exploring the wide variety of options available to today s families allows parents to make the best decisions regardless of the circumstances surrounding their baby s birth Blood Theology Eugene F. Rogers (Jr.),Eugene F. Rogers, Jr,2021-03-25 A recovery and

rediscovery of the surprising strangeness of blood in theological especially Christian and civic discourse **Scientific Evidence of the Christian Faith, DNA — the Starting Point** Victor W. Chang, Guoping Song,2020-07-04 Does the Christian faith have scientific evidence This is difficult to believe However since DNA was discovered we now understand the entire DNA coding sequence of humans is consistent and the difference is only one thousandth The theory of mathematics probability tells us that it could not be the result of spontaneous generation Therefore the molecular biologist put forward that people of the whole world have the common grandfather Y chromosome Adam theory and the common grandmother Eve theory Do you agree What is amazing is that there is no difference between man s and woman s 2 9 billion chromosomal DNA coding sequence meaning that human DNA coding is from one individual Only men have the complete set of the chromosome so the source individual must be a man and the first woman was from the man The first man had no carnal parents and it only could be Adam created by God Due to the constancy of biological genome DNA coding it is impossible for any species to have an evolution connection not even microevolution This is what is recorded in the Bible as all living from each category It therefore can be seen that life s DNA coding sequence is from God s Creation From our DNA we could see that all the substances and lives in the universe are created by God These scientific facts are totally consistent with the Biblical record and are objective evidence of the Christian faith *Absolute Faith in Jesus Christ* John S. O. Famodimu,2011-03-18 ABOUT THE BOOK This book had to be written to clear up many myths about Christianity today The author s inspirational and scholarly approach to the state of religion both from a modern perspective as well as from an historical outlook is timely The author closely documents the divine glory and guidance of the Bible He laid emphasis on both the letter and the spirit of the Holy Bible and opens for all readers some of the main themes of Biblical teaching while revealing and clarifying many of the ancient stories and truths Within the worldly context the author writes in detail the hidden power and supremacy of Jesus Christ above all other religious founders He was inspired to write by his observance that many people were no longer experiencing unchallengeable power that is vested in Christ and lead the reader to the source This volume is perhaps the

doorway through which true believers may pass on their way to a richer more fulfilling religious life It will strengthen and enrich our faith ABOUT THE AUTHOR John s life is synonymous to that of the Apostle Paul in the Holy Bible who was a very religious Jew until he met Christ John grew up in a Pentecostal church where their worship style is Judaic in nature When Christ called him to be a minister he began his lifelong fight of faith against Satan and the false ministers in Satan s grasp throughout the world He is the founder and president of the Absolute Faith R In Jesus Christ Ministries He was inaugurated to the office of Bishop on July 19 2009 His ministries and messages have helped thousands of lives to obtain salvation and holistic freedom While he was born in Nigeria he now lives with his wife and children in United States of America **I**

Became a Christian and All I Got Was This Lousy T-Shirt Vince Antonucci,2008-02-01 Many people find themselves asking Is this it We all read about the life Jesus describes and are painfully aware that our lives don t match his words says Vince Antonucci a disarmingly funny and edgy pastor Raised by a Jewish mother and abandoned by his professional poker playing father Antonucci found Jesus at age twenty after studying the New Testament When he finally went to church he was disappointed to discover a boring stale religion Through provocative storytelling and raw honesty Antonucci unearths the life Jesus lived and wants us to experience challenging us to move past spiritual boredom into a faith that s exciting beautiful and powerful Recommended for all Christians thirsty for a fresh perspective on Christianity **Born For Destiny** Dr. Brian

Alton,2013-05-24 God has a unique plan and purpose for you to fulfill in the earth God has designed a birth ing time a delivery date for your purpose and destiny to be made a reality in the kingdom Without purpose people live by default instead of by design Don t take the treasure God placed within you to the grave stand and fight for it Your God given dreams are not religious options but they are prophetic imperatives When you unlock your own purpose and destiny you can change a city transform a nation and reach the world Pathology of the Human Placenta, 5th Edition Kurt Benirschke,Peter

Mariology begins with this claim to challenge how Christian thinking of salvation possibility and identity are challenged when we rethink assumptions about race gender and divine significance through the lens of the Virgin Mary and specifically through a return to the Black Madonna A layered journey is offered through art theology and culture to consider a theology arising from the condition of the Black Mother a theology following the condition of the Black Madonna a theology for the consideration of all those who pursue justice and life at the spiritual intersections of the world questioning the legislative

doctrine around our perceptions of Mary as the mother of God and extending conversations forward to consider the what else of life Immaculate Misconceptions considers how Christian collusion with colonialism capitalism and anti Blackness have worked theologically to deny Blackness from the realms of the sacred Through the lens of art and icon the treatise thinks through Black women s reproductive legacies and revisits the figure of the Black Madonna as a necessary return to the womb as hush harbor birth as liturgy and Black life as holy

Abortion Policy and Christian Social Ethics in the United States
Mako A. Nagasawa,2021-01-06 Today s Christian pro life movement has misplaced its priorities The issue of abortion is more complex than the movement often appreciates For a start Scripture is less clear about the moral weight of the fetus than we often think In fact early Christians took different positions on abortion because they also relied on different scientific sources about the unborn Furthermore Christian conservatives today do not acknowledge that in American history as today Christian stances on abortion were motivated by other political fears White Protestant Americans developed different state laws on abortion to accomplish anti immigrant goals in the North but anti black racism in the South That messiness impacts U S constitutional law including Roe v Wade Meanwhile Scripture commissions God s people to confront socio economic factors that push abortion rates higher male privilege and the disempowerment of women the high cost of child raising the causes of birth defects the desire to care narrowly for just my children mistaken views about contraception and the culture wars and most of all poverty This book incorporates biblical studies church history science social science history and public policy to argue that we must not approach abortion policy primarily from a criminal justice standpoint as modern conservatives do but from a broad social and economic standpoint meant to benefit and bless all children

Leadership in Religious Education David Arthur Bickimer,1989 The core of this volume is the Prehensive Leadership Model which enables the religious education leader to preserve the overall vision and ecclesial wholeness while engaging in nitty gritty administration

Divine Decrees Iii Clem Esomowei,2015-02-23 This second edition adds about forty six pages to the first one and brings interesting declarations like Victory over the Edomite or Fainting Spirit Prayers against Tongues of Backbiters Gossips and Evil Spirits etc Prayer is the art and act of communicating with God It is our link with heaven and the realms of the spirit It is the power source of any human being who desires to succeed Gods way Prayer is our most important Christian duty after righteousness It is an art because we have to engage in it according to biblical principles It is an act because prayer cannot be totally delegated but be embarked upon daily and incessantly for individual victory Communication with our bridegroom becomes a necessity for meaningful relationship Prayer is the life giving breath of a modern day Christian God does not do anything without speaking forth and this is the ministry of the prophet John reveals that in the beginning was the word and the word was with God and the word was God John1 1 3 God created the universe by spoken word In the Hebrew language a word represents the very thing spoken because God created all things by His word The word therefore defines the reality of the object In the Hebrew the word for object devarim or dawbar is the same used for word because a word does not just represent size colour shape but the very spiritual essence since it was the word that brought it into existence God made Adam to name all the animals He created because Adam had the ability to speak like God and become co creative by the spoken word Speaking should be backed up

with faith and that's the reason why the spoken word is referred to as the spirit of faith. Our words are not supposed to be empty or void of power. God says, "So shall my words be that goes forth out of my mouth; it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I send it." Isaiah 55:11

Dealing with Local Satanic Technology Dr. D. K. Olukoya, 2016-01-20

Technology of Darkness: What a strange expression! The Bible says, "Lest Satan should get an advantage of us; for we are not ignorant of his devices." 2 Cor 2:11. In every locality, the enemy operates a technology of death, spiritual robbery, and destruction. Every locality has its own spiritual powers controlling it. The enemy dribbles man according to his culture, traditions, and environment. Ignorance of local wicked devices has destroyed so many destinies.
