The Changing Face Of The Priesthood Donald B. Cozzens, 2017-06-15 Few today would contest that the priesthood is in a state of crisis. The nature and implications of that crisis however remain the subject of considerable discussion and debate. In *The Changing Face of the Priesthood* Fr Donald Cozzens offers insight into the crisis by reflecting on the issues, challenges, concerns, and realities of the priesthood today. The same year that Pope John XXIII surprised the Catholic world with his call for an ecumenical council, Cozzens began his formal study of theology. As a seminarian, he felt the shaking of the priesthood's foundations. The very face of the priesthood was evolving even as he arrived at his first parish assignment. A generation later, the face of the priesthood continues to reveal new contours, fascinating features, and sadly, some tragic blemishes. In *The Changing Face of the Priesthood*, Cozzens takes a long, honest look at the present state of the priesthood. He provides this examination not merely from an empirical/scientific perspective but also from a personal/pastoral perspective. Drawing on clinical data, church documents, and his nearly forty years of pastoral experience, Cozzens gives shape and form to the changing face of the priesthood. Through his reflections, he leads readers to both concern and hope for the priesthood of the twenty-first century. Chapters include: *Discovering an Identity*, *Guarding One's Integrity*, *Loving as a Celibate*, *Facing the Unconscious*, *Becoming a Man*, *Tending the Word*, *Considering Orientation*, *Betraying Our Young*, and *The Changing Face of the Priesthood*. Donald Cozzens, PhD, a priest and writer, is author of two award-winning titles, *Sacred Silence* and *The Changing Face of the Priesthood*, and editor of *The Spirituality of the Diocesan Priest*, all published by Liturgical Press. He is a writer in residence at John Carroll University where he teaches in the religious studies department.

Pastors in the Classics

Leland Ryken, Philip Ryken, Todd Wilson, 2012-01-01 Throughout the history of English literature, church ministers have figured prominently in novels, plays, morality tales, and even poetry. *Pastors in the Classics* is a unique, unprecedented collection of relevant literary masterpieces in which the pastor's experience is a major part of the story. Part 1 is a reader's guide to twelve important classics written over four centuries and covering seven different nationalities. Each chapter not only describes and interprets the work in question; it also highlights a specific feature of pastoral ministry explored in the work. Part 2 is a handbook that defines the canon of literary masterpieces that deal with the pastor's experience, offering reading suggestions for both ministers and lovers of literature. From the familiar *The Canterbury Tales*, *Cry the Beloved Country*, and *The Scarlet Letter* to the lesser-known *Silence*, *Witch Wood*, to the surprising *A Portrait of the Artist as a Young Man*, this collection uncovers the good, the bad, and the ugly ways in which pastors have been presented to the reading public for the past half millennium. *The Enemies of Christ* J. Ramsay, 2019-06-28 As a young man in fourteenth-century Spain,

[The Ministry, Vol. 02, No. 09](#) Various Authors, 1998-09-01 This issue of *The Ministry* contains the first and second of a series of crucial messages given by Brother Lee to the co workers in Southern California in August 1996 concerning the principles of fruit bearing and of shepherding the young ones in corporate living The first principle of fruit bearing is that it is not by mass production The

second principle of fruit bearing as seen in John 15 is that each branch bears its own fruit As branches of Christ our unique responsibility is to bear fruit Brother Lee s burden in the second message is expressed in the following excerpt I want to shepherd and disciple you from the Bible so you can see this matter and have a change I am discipling you to change your concept The God man concept is that Christ came to save sinners especially the top sinners If we lose this spirit whether we are elders co workers or serving ones we are finished This is the main reason why we are so barren bearing no fruit for so many years p 24 Our need is to learn of the Lord to shepherd people according to His heart of love Love covers many sins To uncover is not love Covering brings in blessing but uncovering brings in a curse The next three messages in this issue are Messages Seven Eight and Nine from the Crystallization study of the Epistle to the Hebrews which were given in the Living Stream Ministry s Summer Training of 1998 Message Seven emphasizes the main point of Christ being our High Priest He ministers God into us Message Eight stresses the wonderful fact that Jesus as the Apostle came to us with God to share God with us that we might partake of His divine life nature and fullness so that we might be formed and constituted into His church the house of the living God The subject of Message Nine is the Sabbath rest which is simply God s satisfaction in His heart s desire When man is on earth expressing and representing God God s desire is satisfied Lastly we include a report concerning the use of the Internet to spread the Lord s ministry and a letter from the co workers in the former Soviet Union concerning the usefulness of the training in the Lord s move throughout the former Soviet Union
