Getting Through the Tough Stuff Charles R. Swindoll,2006-09-10 We live in a time when things are tough for a lot of folks The boomers are beginning to feel anxiety as they move toward retirement Many people are facing financial pressure and are up to their ears in debt We are having to care for both our kids and our parents The pace of life and the demands of life just keep getting more intense And for many these tough times bring life crises This is a book of encouragement hope and freedom an invitation to meet Christ at the crossroads of our lives and move beyond the tough times

Crossroads of the Eternal M. Brett Callaway,2018-11-07 Not so long ago it was taken for granted that God exists Today there is a blindness to him even though he makes his presence known to all The book begins by showing how better to recognize his presence and understand how he reveals himself to us The next three chapters discuss how we move from an

awareness of his presence to beginning to know him and through a knowledge of him begin to know what his purpose is for us and how our lives are shaped by that knowledge Having seen how he reveals himself to us and how we know the world and see the world through different eyes we then look at how to apply our new view in the face of a society that remains blind to this knowledge Chapters 5 7 explore truth first from the standpoint of its existence then in how to recognize its counterfeits and finally to understand the consequences of its loss Chapters 8 10 look at how and why being able to see God's hand in all aspects of life and to center life on him by faith in his son Jesus Christ completely changes life for the better Non Christians often hear this claim made by evangelists If they ask why too often the answer is in Christian speak that is foreign to them The intent is to bridge from the place where they are and explain how Christians have found peace in times of suffering even joy in the most horrific circumstances enabling them to give thanks in all things In a sense the book finishes where it started by looking at who we truly are what kind of world this is and how God has made all into his glorious plan

Christ at the Crossroads Charles R. Swindoll, 1998 *Study Guide and Workbook for Spiritual and Church Renewal* James M. Dawsey, Sharon E. Wright, Scott Sikes, 2025-02-10 The decline this century in church attendance has been pronounced And polls show disconcerting ignorance about religious matters even among churchgoers Is there a path to spiritual and church renewal And what will become the shape of American Christianity this century As an accompanying volume to James M Dawsey's Handbook for the Christian Faith this workbook offers a summary of essential beliefs and practices of the faith identifies significant terms names dates and events in church history lists themes and materials to be learned provides exercises and suggests additional readings to enhance understanding The materials will prove of interest to all wanting to understand the role played by Christianity in western culture and to decipher the chaos of present day American Christianity But the Study Guide and Workbook for Spiritual and Church Renewal will be especially useful to Christians working through the Handbook for the Christian Faith reflecting more deeply on the meaning of the Christian heritage and seeking to discern a right path for contemporary Christianity The exercises in this workbook extend beyond understanding Christianity as a religion to readers better understanding themselves as Christians How shall we be faithful followers of Christ **Crossroads** Talatu Bako, 2017-05-18 Zeenat caught between her love for Sadiq and for God is faced with the heart rending dilemma of choosing between the two Overwhelmed with sensual desire for Sadiq she cannot ignore the pricking of her conscience that compels her to aspire to a moral code of Kingdom ethics She struggles to discover her true identity and the purpose of her life overshadowed by her need for approval at all costs even when it is to the detriment of her life Besides in a realm beyond the ordinary she must contend with the treachery and fury of a horde of sinister forces unleashed against her Zeenat is indeed at the Crossroads Which path does she choose Is it the right one **The Ideal Marriage** Dr. Francis K. Goode, 2011-06-16 The Marriage Institution was not by any stretch of the imagination a human devising It was not even a cultural invention God is the creator of the Marriage Institution He created it to demonstrate His

Fatherly love for the human family He also performed the first wedding ceremony in the Garden of Eden and gave it a definition as a lifelong union enjoined by two distinct individuals who are genetically identical and yet each containing within itself something lacking in the other and complimentary to each other **Christ at the Crossroads** Charles R.
