Christ In All Scripture

Christ In All Scripture:

Christ In All The Scriptures A M Hodgkin, 2022-11-13 This book seeks to demonstrate that those references to Christ are found in all of the Scriptures On the glorious resurrection morning Mary went to seek for Jesus She sought Him in the tomb but He stood beside her She thought He was the gardener but the one word Mary revealed to her her Saviour As we read some passage in the Old Testament how often our eyes are holden and we see only the earthly form we see Aaron the priest or David the shepherd or Solomon the king but if like Mary we are really seeking the Lord Jesus He manifests Himself to us through the outward type and we turn in glad surprise and looking up say Rabboni lit my great One As we continue to seek we find Him in the least expected places of the Old Testament until the whole grows luminous with the glory of God in the face of Jesus Christ In the volume of the book it is written of Me All the lines of history and type of Psalm and prophecy converge towards one centre Jesus Christ and to one supreme event His death on the Cross for our salvation And from that centre again all the lines of history in the book of Acts of experience in the Epistles and of prophecy in Revelation radiate out once more to testify that the Father sent the Son to be the Saviour of the world After His resurrection our Lord not only opened the Scriptures to His disciples but also opened their understanding that they might understand the Scriptures He is ready to do the same for us The same Holy Spirit who moved holy men of old to write the Scriptures is close at hand to make the words life to our souls by taking of the things of Christ and revealing them unto us Of the books of the New Testament only a brief summary is here given partly because they are so much more studied partly because to treat of them at any adequate length would swell this book beyond the limits of a single volume and still more because the chief aim of the present Studies is to show that Christ is the Key to the Old Testament Scriptures

Christ in All the Scriptures Alice M. Hodgkin, 2015-11-22 Alice M Hodgkin was a late 19th century and early 20th century writer who wrote on all sorts of religious topics including this work From the preface ON the glorious resurrection morning Mary went to seek for Jesus She sought Him in the tomb but He stood beside her She thought He was the gardener but the one word Mary revealed to her her Saviour As we read some passage in the Old Testament how often our eyes are holden and we see only the earthly form we see Aaron the priest or David the shepherd or Solomon the king but if like Mary we are really seeking the Lord Jesus He manifests Himself to us through the outward type and we turn in glad surprise and looking up say Rabboni lit my great One As we continue to seek we find Him in the least expected places of the Old Testament until the whole grows luminous with the glory of God in the face of Jesus Christ In the volume of the book it is written of Me All the lines of history and type of Psalm and prophecy converge towards one centre Jesus Christ and to one supreme event His death on the Cross for our salvation And from that centre again all the lines of history in the book of Acts of experience in the Epistles and of prophecy in Revelation radiate out once more to testify that the Father sent the Son to be the Saviour of the world After His resurrection our Lord not only opened the Scriptures to His disciples but also opened their understanding that they might

understand the Scriptures He is ready to do the same for us The same Holy Spirit who moved holy men of old to write the Scriptures is close at hand to make the words life to our souls by taking of the things of Christ and revealing them unto us Of the books of the New Testament only a brief summary is here given partly because they are so much more studied partly because to treat of them at any adequate length would swell this book beyond the limits of a single volume and still more because the chief aim of the present Studies is to show that Christ is the Key to the Old Testament Scriptures To encourage others to seek Him for themselves under the guidance of the Spirit in the pages of Holy Scripture is the object of this book I would here gratefully acknowledge the help of Fielden Thorp B A and the Rev James Neil M A in revision and of other friends in various ways

Christ All, and in All; Or, Several Significant Similitudes by which the Lord Jesus Christ is Described in the Holy Scriptures ... Ralph Robinson (Puritan Divine.),1868 **Christ All In All** Philip Henry,2016-08-26 This remarkable exposition of Colossians 3 11 considers forty ways that Christ is all and in all for believers our hope refuge and righteousness to name a few As Philip Henry demonstrates Christ alone can bring eternal happiness and without Him nothing else will do Each chapter provides an edifying meditation calling us to find our satisfaction in Jesus So what is your most perplexing problem and what would you say is the one thing you need most Read this compelling work on the sufficiency of Christ and be encouraged to answer with Philip Henry None but Christ none but Christ *Christ all and in all, etc. The editors' preface to the reader signed: Simeon Ashe, Edm. Calamy, William Taylor* Ralph ROBINSON (Puritan Divine.),1827 **Christ in All the Scriptures** A. M. Hodgkin,2017-09-12 Excerpt from Christ in All the Scriptures And

Beginning at Moses and All the Prophets He Expounded Unto Them in All the Scriptures the Things Concerning Himself Of the books of the New Testament only a brief summary is here given partly because they are so much more studied partly because to treat of them at any adequate length would swell this book beyond the limits of a single volume and still more because the chief aim of the present Studies is to show that Christ is the Key to the Old Testament Scriptures To encourage others to seek Him for themselves under the guidance of the Spirit in the pages of Holy Scripture is the object of this book About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

An Introduction to the Critical Study and Knowledge of the Holy Scriptures Thomas Hartwell Horne,1860 **Book 7 Revelation PB** Kurt Jurgensmeier,2012-08-22 How and why has God spoken to us Our purpose in this book is to provide a biblical study of the various types and purposes of the myriad of different methods of divine revelation In the process we endeavor to answer such critical and controversial questions as How do we know when

God is speaking What has been the progression of divine revelation What are the only two methods of revelation that God uses to communicate to all of humanity Why is Scripture so authoritative and sufficient for the Christian life What are the several vital but often neglected ways that God speaks to us apart from Scripture How does God expect us to make decisions and does He have a personal will for our lives that cannot be found in Scripture Does God speak to us by planting thoughts in our mind

The Father and the Feminine Spencer Miles Boersma, 2024-09-12 How should Christians speak of the transcendent yet personal God when our language for persons is almost always gendered Is male imagery such as Father Son or King the only appropriate way Are there ways to talk of God using female gendered metaphors and pronouns And how does the use of such language impact humans as gendered people Moving beyond the extremes in this debate The Father and the Feminine seeks to clarify the ways Christians speak about God whether this is by recognizing revelation and Christian tradition upholding God's ineffability using analogies metaphors and narratives referring to God as Father Son and Spirit or by seeking a liberating way of life in community Spencer Miles Boersma argues that male language for God need not be problematic if used and understood correctly but at the same time that it cannot be the exclusive way Christians speak of the Divine The grammar of Christian Scripture and tradition both authorize the use of female language which Christians ought to use in pursuing a deeper relationship with God and others as well as a more authentic view of self

An Apology for the True Christian Divinity Robert Barclay, 1765 **The True Christian Divinity, as Set Forth in Eight Propositions of R. Barclay's Apology** Robert BARCLAY (the Elder.), 1817 **God's Love for Us and His Remedy for Our Sins** Al Matlock,

When we were children we didn't usually understand that the rules our parents laid down for us were born out of their love for us What is true for parents is also true for God The rules God has given to us the Ten Commandments are not only given to us because He loves us but also they are a transcript of His character By obeying God's law we begin the journey of becoming like Him The vast majority of people Christian or not will readily agree that some of the Ten Commandments are still valid don't kill don't steal honor your parents be faithful to your spouse The majority of Christians acknowledge that nine of the Ten are still valid But what about that other one the fourth Are we still obligated to keep the fourth commandment Why is it that the one commandment that God begins with the word remember is the one that many people would like to forget Between these covers you will find a clear concise biblical answer to these questions The author lays out in logical form scriptural evidence that God's law including the fourth commandment was kept and is intended to be kept from Eden down through all eternity The only question you'll have by the end of the book will be will I honor God by keeping all ten of His commandments or not

An apology for the true Christian divinity ... The eighth edition in English Robert BARCLAY (the Elder.), 1825 Finding Jesus in the Old Testament David Limbaugh, 2015-11-09 A New York Times Bestseller In Finding Jesus in the Old Testament David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ's arrival through all thirty nine Old Testament books The key to the secrets of the Old Testament Limbaugh argues is

the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus With that key and with Limbaugh as a deft guide readers of Finding Jesus in the Old Testament will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ's arrival Limbaugh takes readers on a revealing journey from Genesis through Malachi demonstrating that a consistent message courses through every one of the Old Testament's thirty-nine books the power, wonder, and everlasting love of Jesus Christ Previously published under the title The Emmaus Code The Authority of God Jean Henri Merle d'Aubigné, 1851

An Apology for the True Christian Divinity: Being an Explanation and Vindication of the Principles and Doctrines of the People Called Quakers. 11th Ed Robert Barclay, 1849 *An Introduction to the Critical Study and Knowledge of the Holy Scriptures: A summary of the evidence for the genuineness, authenticity, uncorrupted preservation, and inspiration of the Holy Scripture* Thomas Hartwell Horne, 1856

Fingerprints of God: His Hand in History and in Human Hearts Franklin S. Nauman, 2008-01-25 Fingerprints of God is drawn from the author's experience during 50 years of parish ministry to a broad spectrum of worshippers from teenagers to senior citizens from farmers to physicists from blue collar workers to PhDs All shared a common hunger to know God as an eternal reality in a world of change and pursued a quest to find reasons for faith Evidence for the presence of God can be found in history, human experience, and in Holy Scripture Fingerprints of God relates contemporary situations to biblical precedents and personalities from Genesis to Revelation in search of Truth The author follows the footsteps of others who found the fingerprints of God's hand in their lives With illustrations from literature, biography, and his own personal experience he shares insights of pastors and teachers who guided his own faith journey The reader follows the foibles and faith of Old Testament characters leading to the person and work of Jesus Christ the finger of God among us Luke 11:20 The significance of his life and death and resurrection as the foundation for our faith are the focus of the concluding chapters The author makes no claim to be profound or prophetic Each chapter is a simple attempt to answer some question or address a current issue or need in the life of ordinary people None of the featured topics purport to be the last word on the subject under consideration Like the words and works of Jesus, much more could be said which is not recorded in this book but these are written that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name John 20:30-31

Morning exercises at Cripplegate [ed. by S. Annesley] *St. Giles in the fields* [ed. by T. Case] and in *Southwark* [ed. by N. Vincent] sermons preached A.D. 1659-1689, by several ministers of the gospel London St. Giles, Cripplegate, 1845

Resolutions of a Pastor Michael E. Pohlman, 2025-03-12 With the promise of numerical growth, pastors are annually bombarded with new leadership techniques and paradigms for ministry Many of these are influenced more by secular business philosophy, pragmatic thinking, and homespun advice than the Bible The church is left spiritually impoverished and ill equipped to face the challenges of secularization for want of a biblical theological vision for ministry This book fills a gap in the literature by being exegetically vigorous and obviously informed by biblical, historical, and

systematic theology The result is a robust work of pastoral theology able to meet the ministry challenges of the twenty first century There is no more important institution in the world than the church And the best way to strengthen the church is to strengthen her shepherds This is the aim of The Resolutions of a Pastor
