Hou,Youyu Jin,2005 *The Healing Power of Chinese Herbs and Medicinal Recipes* is an easy to follow introduction to the history and fundamentals of traditional Chinese

medicine This useful guide clearly explains the basics of this unique medical system and describes in detail the therapeutic properties and use of 138 medicinal herbs and 101 herbal recipes The book includes a bibliography glossary contact information for herbal dealers and Oriental medicine schools and an indexed list of 300 commonly used Chinese medicinal herbs and 245 herbal recipes This comprehensive reference will benefit healthcare practitioners with an interest in using Oriental medicine in addition to anyone who is interested in Chinese herbs or patients for which conventional medicine has offered no relief To view an excerpt online find the book on our QuickSearch catalog at www.HaworthPress.com

Traditional Chinese Medicine Cassian Pereira, AI, 2025-03-13 Traditional Chinese Medicine TCM offers a comprehensive exploration of this ancient holistic healthcare system revealing its potential for modern health and well being Rooted in practices like herbal medicine acupuncture and dietary therapy TCM emphasizes restoring balance within the body It s intriguing to note that TCM views the body as interconnected where imbalances in Qi vital energy or disruptions in Yin and Yang can lead to illness The book presents TCM s core principles including the Five Elements theory in an accessible manner bridging ancient wisdom with modern science It progresses from historical foundations and philosophical roots to practical applications of herbal medicine acupuncture techniques and personalized dietary plans By emphasizing a holistic approach to healthcare TCM provides unique insights into treating the whole person rather than just symptoms making it a valuable complement to conventional medicine

Culture and Conquest in Mongol Eurasia Thomas T. Allsen, 2004-03-25 In the thirteenth century the Mongols created a vast transcontinental empire that functioned as a cultural clearing house for the Old World Under Mongol auspices various commodities ideologies and technologies were disseminated across Eurasia The focus of this path breaking study is the extensive exchanges between Iran and China The Mongol rulers of these two ancient civilizations shared the cultural resources of their realms with one another The result was a lively traffic in specialist personnel and scholarly literature between East and West These exchanges ranged from cartography to printing from agriculture to astronomy The book concludes by asking why the Mongols made such heavy use of sedentary scholars and specialists in the elaboration of their court culture and why they initiated so many exchanges across Eurasia This is a work of great erudition which crosses new scholarly boundaries in its analysis of communication and culture in the Mongol empire

Bioeconomy Aihua Pan, 2023-02-15 This book focuses on the new concept of bioeconomy which collects the wisdom from life science medicine and economics It finds the origins from ten existing theories and also regards as Pan s bioeconomy It has provided new methods for economic science research opened up new fields for life science research provided the right answer for China s economic miracle filled the gap between materialism and idealism and removed the fence between natural science and social science
