Tedder, 2020-07-02 Paul's passionate Letter to the Galatians has occasioned various perspectives old new radical new apocalyptic etc for explaining Paul's defense of the truth of the gospel in it This book makes an audacious claim that the allegorical passage of 4 21 5 1 is the best vantage point for configuring Paul's theological vision and logic in the letter Offering a fresh approach for understanding Paul's allegorical practice it demonstrates how both the Abraham narrative and the book of Isaiah function as a formative matrix for Paul's theology With an in depth analysis of these scriptural texts Paul's two identifications for believers in Christ belonging to the Jerusalem above and being children of promise in the pattern of Isaac receive new clarity and precision The investigative journey in this book discusses key concepts and texts from Galatians and addresses questions concerning the shape of Paul's retelling of Israel's story in relation to Jews and Gentiles The result is a well grounded interpretation of Paul's conception of the gospel that made him new and continues to bring about new creation in our world **The Gospel and Israel** Paul F. Morris, 2014-04-07 The mission of the church to the Jews is a unique one The biblical theological and practical issues differ from those with other groups because Israel was and is the people to whom God gave his promises However the unbelief of many Jewish people and the persecution of Jewish people in the name of Jesus makes mission to the Jews uniquely difficult requiring considerable sensitivity But it is also full of hope for there is promise of both a remnant and a fullness coming to faith in Jesus the Messiah The lectures in this book were part of a series organized by Christian Witness to Israel in Australia to explore this unique challenge and to encourage an intelligent heartfelt and persevering interest in mission to the Jewish people The studies focus on Biblical theological historical and current issues They were named the Edersheim Lectures after Alfred Edersheim the well known nineteenth century Jewish Christian scholar and author who served in Romania as a missionary and in the United Kingdom as a pastor Following in his example The Gospel and Israel engages in an in depth examination of themes relating to the Jewish people and the Christian faith How God Forms Abraham to Be a Blessing Qiang Fu, 2023-02-22 This book aims to understand God's interactions with Abraham in relation to God's command that Abraham be a blessing Gen 12 2d which is directly tied to God's goal that in you all the families of the earth will be blessed Gen 12 3b The book proposes a formative narrative approach to examine interactions between character and plot the movement of plot and the connection between sequential plots An analysis of thirteen Abrahamic narratives Gen 12 22 suggests a classification based on four

different types of interactions between God and Abraham which indicate how cooperation and conflict between God and Abraham advance the narrative's plot. The book then proposes a narrative discourse analysis to examine how Abraham evolved through different stages of the narrative by moving from deviation to cooperation. Detailed analysis of this transformation process reveals three turning points in Abraham's life. The formative narrative approach and narrative discourse analysis proposed in this book can contribute to the analysis of two important aspects of Old Testament narratives: the formation of plot and the cause and effect structure in narrative discourse.

Wonders from Your Law Kevin S. Chen, 2024-09-10 Through the orienting lens of nexus passages, biblical scholar Kevin Chen offers a constructive evangelical approach to the Old Testament that is both exegetical and intertextual. In this thorough analysis, Chen shows how these nexus passages serve as lexical, thematic, and theological hubs for understanding the Old Testament. *Blessed to be a Blessing*,

Blessed that I AM Poetry Dorothy Malone, 2014-02 This book is full of poems, love songs, gospel songs, short stories, and a little bit of everything. It was designed to encourage the go-getters to move out and master success; to be the best. The sky is the limit of what you can have if you apply yourself. It warns how tricky the enemy can be in the form of poetry. One must read with an open mind, knowing that it is an author's point of view, but so true. It was designed to change the attitudes of the oppressor or troublemaker to turn the minds around from wrong to right by sharing the consequences of wrongdoing.

Text Messages from God Earl Mott, 2013-06-18 This is God's personal word to you for such a time as this. Consider what God says about Himself, what others say about Him, and to Him, and what He says about you and to you. Text Messages from God makes the Scriptures come alive with meaning as God speaks in first person directly and personally to the reader. Draw near to God, listen to Him, speak to you in His still small voice. Read and feed upon God. Respond in praise, thanksgiving, and worship. Get to know God better and more intimately. Memorize His promises. Learn His principles. Put your name in the blank and let God change your life through His living Word. I am not far from you. I am your strength. I will hasten to help you. Psalm 22:19. I the LORD your God will hold your right hand, saying to you, Fear not. I will help you. Isaiah 41:13. I have loved you with an everlasting love; therefore with loving kindness I have drawn you. Jeremiah 31:3. Most assuredly, I say to you, you and all who believe in Me have everlasting life. John 6:47. I am able to do exceedingly abundantly above all that you ask or think, according to the power that works in you. Ephesians 3:20. Be confident of this very thing, that since I have begun a good work in you, I will complete it until the day of Jesus Christ. Philippians 1:6. I am faithful and I will establish you and guard you from the evil one. II Thessalonians 3:3.
