Blessings Deferred:

What to Do When Hope is Deferred Tonya Williams, 2019-04-03 Tonya R Williams knows all about hope being deferred and the years of confusion and it can cause She had to discover through her life journeys and God's countless revelations what her true mission and purpose really consisted of all the while not quite understanding the real purpose of God This was in addition to raising her three boys and dealing with unique challenges that raising three boys presented What was a new Christian to do Tonya developed a hunger for God's Word that superseded all the ups and downs happening within her life She had become so well learned in the Scriptures that she felt compelled to share the knowledge with many others This is what she did She shared with others the many biblical lessons she had learned mainly to help new and seasoned Christians really grow into their calling to please God Tonya explains all Christians have a calling that the Father has placed on their lives The issue is whether or not Christians choose to live obediently She passionately explains whether or not some choose to live obediently or disobediently and the eternal consequence of each choice She challenges you to determine is your hope really deferred She puts forth are you living obediently before God She carefully describes the blessings and fallouts of each believer's choices Tonya's explanation of obedience is found in her book In her book you will learn the pitfalls of disobedience and the gifts of obedience You will not feel comfortable being the person you were before reading her book The Zohar Daniel C.
