The Quintinshill

Conspiracy Jack Richards,Adrian Searle,2013-10-01 It was the railway s Titanic A horrific crash involving five trains in which 230 died and 246 were injured it remains the worst disaster in the long history of Britain s rail network The location was the isolated signal box at Quintinshill on the Anglo Scottish border near Gretna the date 22 May 1915 Amongst the dead and injured were women and children but most of the casualties were Scottish soldiers on their way to fight in the Gallipoli campaign Territorials setting off for war on a distant battlefield were to die not in battle but on home soil victims it was said of serious incompetence and a shoddy regard for procedure in the signal box resulting in two signalmen being sent to prison Startling new evidence reveals that the failures which led to the disaster were far more complex and wide reaching than signalling negligence Using previously undisclosed documents the authors have been able to access official records from the time and have uncovered a highly shocking and controversial truth behind what actually happened at Quintinshill and the extraordinary attempts to hide the truth As featured in Dumfries Galloway Life magazine January 2014 *Olin's*

Single - Wing Football with an End Over Bobby Anderson, 2010-11 Offensive Football at its Best the Single Wing In an easy to understand manual Coach Bobby Anderson lays out strategies for winning football using the single wing offense with an end over The single wing is making a come back When my sons played football at Providence Christian School of Texas I was surprised to see they ran the single wing I had learned the single wing at The Lawrenceville School in New Jersey from where I graduated in 1972 The single wing is a very effective formation and Coach Bobby Anderson is an outstanding practitioner of it as well as a great coach and mentor The Providence football team went undefeated three of the five years he was there and lost only one game during another season In 1970 I tried to convince Tom Landry to have the Cowboys run the single wing with Roger Staubach at tailback Calvin Hill or Duane Thomas at fullback and Walt Garrison at blocking back He was concerned that it would confuse the offense more than the defense I guess they did not need it since they played in the next two Super Bowls However I did notice that Coach Landry re introduced its cousin the shotgun shortly thereafter Robert F Murchison fan of the single wing and son of the Dallas Cowboys founder Coach Anderson knew he wanted to be a football coach early in life His head coaching record of 152 wins 47 losses and five ties stands tall He ran the single wing for twenty years as a head coach He wants to win and he has with the single wing Learn from his expertise and give YOUR team winning seasons with the single wing
