Research Philip Kerr,2014-06-30 If you want to write a murder mystery you have to do some research In a luxury flat in Monaco John Houston's supermodel wife lies in bed a bullet in her skull Houston is the world's most successful novelist the playboy head of a literary empire that produces far more books than he could ever actually write Now the man who has invented hundreds of best selling killings is wanted for a real murder and on the run from the police his life transformed into something out of one of his books And in London the ghostwriter who is really behind those books has some questions for him too

The Lady From Zagreb Philip Kerr,2015-04-07 One of the greatest anti heroes ever written LEE CHILD Summer 1942 When Bernie Gunther is ordered to speak at an international police conference an old acquaintance has a favour to ask Little does Bernie suspect what this simple surveillance task will provoke One year later resurfacing from the hell of the Eastern Front a superior gives him another task that seems straightforward locating the father of Dalia Dresner the rising star of German cinema Bernie accepts the job Not that he has much choice the superior is Goebbels himself But Dresner's father hails from Yugoslavia a country so riven by sectarian horrors that even Bernie's stomach is turned Yet even with

monsters at home and abroad one thing alone drives him on from Berlin to Zagreb to Zurich Bernie Gunther has fallen in love
