Erion, Len Levin, Bill Nowlin, 2015-09-17 In modern baseball history only one team not named the New York Yankees has ever  
won three consecutive World Series That team was the Oakland Athletics who captured major league baseball's crown each  
year from 1972 through 1974 Led by such superstars as future Hall of Famers Reggie Jackson Catfish Hunter and Rollie  
Fingers in the final years before free agency and the movement of players from one team to another forever changed the  
game the Athletics were a largely homegrown aggregate of players who joined the organization when the team called Kansas  
City its home developed as teammates in the minor leagues and came of age together in Oakland But it was the way in which  
they did it that immortalized those teams For if the story of the Oakland Athletics championships is that of one of baseball's  
greatest teams it's also the story of enigmatic owner Charles O Finley and how those players succeeded in spite of Finley's
