Chloe Plus Olivia:

Chloe Plus Olivia Lillian Faderman, 1994 From the bestselling author of *Odd Girls and Twilight Lovers* comes a landmark work the first of its kind from a major trade publisher Ideal for women s studies and gay and lesbian studies courses In stores for the 25th anniversary of Stonewall

Between Women Sharon Marcus, 2009-07-10 Women in Victorian England wore jewelry made from each other s hair and wrote poems celebrating decades of friendship They pored over magazines that described the dangerous pleasures of corporal punishment A few had sexual relationships with each other exchanged rings and vows willed each other property and lived together in long term partnerships described as marriages But as Sharon Marcus shows these women were not seen as gender outlaws Their desires were fanned by consumer culture and their friendships and unions were accepted and even encouraged by family society and church Far from being sexless angels defined only by male desires Victorian women openly enjoyed looking at and even dominating other women Their friendships helped realize the ideal of companionate love between men and women celebrated by novels and their unions influenced politicians and social thinkers to reform marriage law Through a close examination of literature memoirs letters domestic magazines and political debates Marcus reveals how relationships between women were a crucial component of femininity Deeply researched powerfully argued and filled with original readings of familiar and surprising sources *Between Women* overturns everything we thought we knew about Victorian women and the history of marriage and family life It offers a new paradigm for theorizing gender and sexuality not just in the Victorian period but in our own

The (Almost) Perfect Guide to Imperfect Boys Barbara Dee, 2014-09-30 According to the book she and her best friend Maya have written Finley believes that all of the boys at her middle school are immature until Zachary Mattison returns from a year away and Finley sees him in a new light

Thamyris, *The Advocate*, 1994-06-28 *The Advocate* is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States

The Short Story Anthology and Women's Writing Aleix Tura Vecino, 2025-08-14 Hundreds of anthologies of women s short stories have appeared in the literary market between the 1970s and now This publishing and cultural phenomenon is considered for the first time in this book which argues that during this period anthologies have become a literary technology used not only to make visible female short story writers but also to think about and mould ideas of womanhood Through creative and contextualised readings of the most important anthologies produced in this period this study shows that this literary form has contributed to and in some cases pioneered key developments in gender theory and feminist thought including questions of political combination among women which underlie contemporary global movements such as MeToo In doing so the book also develops the first book length conceptualisation of the features and meaning making mechanisms of the short story anthology as a literary form This book will benefit academics and students working in the fields of short fiction publishing and women s studies as well as feminist scholars and a growing number of specialists interested in the anthology as a literary

form worldwide

Heterosexual Plots and Lesbian Narratives Marilyn Farwell, 1996-01-01 What is lesbian literature Must it contain overtly lesbian characters and portray them in a positive light Must the author be overtly or covertly lesbian Does there have to be a lesbian theme and must it be politically acceptable Marilyn Farwell here examines the work of such writers as Adrienne Rich Marion Zimmer Bradley Jeanette Winterson Gloria Naylor and Marilyn Hacker to address these questions Dividing their writings into two genres the romantic story and the heroic or quest story Farwell addresses some of the most problematic issues at the intersection of literature sex gender and postmodernism Illustrating how the generational conflict between the lesbian feminists of twenty years ago and the queer theorists of today stokes the critical fires of contemporary lesbian and literary theory *Heterosexual Plots and Lesbian Narratives* concludes by arguing for a broad and generous definition of lesbian writing

Encyclopedia of Lesbian Histories and Cultures Bonnie Zimmerman, 2013-08-21 Volume one of this two volume set focuses on lesbian history and culture beginning in 1869 when the study of homosexuality was said to have begun with the establishment of sexology It is intended as a reference for students and scholars in many fields as well as the general public

Lesbian Lives Maggie Magee, Diana C. Miller, 2013-05-13 In this groundbreaking re visioning of lesbianism Magee and Miller transcend a literature that for decades has focused on the timeworn and misconceived task of formulating a lesbian specific psychology Rather they focus on a set of interrelated issues of far greater salience in our time the developmental and psychological consequences of identifying as homosexual and of having lesbian relationships Their consideration of these issues leads to a rigorous review of major psychoanalytic and biological theories about female homosexuality and a probing examination of current notions of gender identity These tasks set the stage for Magee and Miller s own model of psychologically mature sexuality between members of the same sex The developmental and clinical issues taken up in specific chapters of *Lesbian Lives* include the challenges facing lesbian adolescents the psychological and social significance of coming out the various meanings and contexts of coming out as a gay or lesbian analyst the interaction of individual psyche and social context in clinical work with lesbian patients and the history of homosexual therapists and psychoanalytic training The chapter on Bryher the lesbian identified life partner of the poet Hilda Doolittle Freud s patient H D relying on unpublished documents is not only a wonderful exemplification of themes developed throughout the work but an invaluable contribution to psychoanalytic history *Lesbian Lives* is a heartening sign of the generous scholarship and humane

impulse that are transforming psychoanalysis in our time In writing infused with an experiential immediacy born of personal participation in the stories they tell Magee and Miller weave a multiplicity of narratives into a fabric of explanation far richer far more colorful far truer to lived experience than anything psychoanalysis has heretofore offered on the subject **A Sea of Stories** John Dececco, Phd, Sonya L Jones, 2013-01-11 Take a look at how narrative has shaped gay and lesbian culture A Sea of Stories The Shaping Power of Narrative in Gay and Lesbian Cultures A Festschrift for John P De Cecco is an unforgettable collection of personal narratives that explores the historical psychological and sociological contexts of homosexuality in locations ranging from Nazi Germany to Colorado Some of the prominent authors in this collection include David Bergman Louis Crew Diana Hume George and Ruth Vanita Scholars in gay and lesbian studies political movements cultural studies and narratology and anyone interested in gay history will want to explore these intriguing narratives on topics such as sex and sin in the South selling gay literature before Stonewall growing up gay in India and the story of an interracial male couple facing homophobic ignorance in a small town A Sea of Stories also contains creative fiction and nonfiction love stories war stories oral stories and bibliographies and a beautiful post Stonewall and post modern narrative set on a South African seascape that tells the story of two professional men and the possibility of a kiss For a complete list of contents please visit our Web site at www.haworthpressinc.com This book offers you a variety of narratives that cover a wide range including memoirs of gay Holocaust survivors and the emergence of the first lesbian and gay book club in its wake homophobia in the workplace and the use of coming out stories to enhance workplace diversity the establishment of a gay straight alliance in a Salt Lake City high school that is heavily dominated by Mormons gay literary heritage that examines the works of Langston Hughes as well as Martin Duberman Paul Monette and Edmund White in relation to the lesbian 70s creative nonfiction about a woman s love for another woman her lifelong friend Provincetown s remarkable community response to the AIDS epidemic A collection of chapters written by the colleagues and former students of John P De Cecco pioneering editor of the Journal of Homosexuality A Sea of Stories takes its title from a phrase Dr De Cecco used in his keynote address to the History and Memory conference at Allegheny College in 1997 This conference sparked the idea for this collection of essays that examine the homosexual experience through historical psychological and sociological viewpoints and homosexuality in literature These courageous stories will assist readers to know themselves more deeply to identify with others and to interpret gay and lesbian experiences in different narrative forms [The Cambridge History of Queer American Literature](#) Benjamin Kahan, 2024-06-06 Moby Dick s Ishmael and Queequeg share a bed Janie in Zora Neale Hurston s Their Eyes Were Watching God imagines her tongue in another woman s mouth And yet for too long there has not been a volume that provides an account of the breadth and depth of queer American literature This landmark volume provides the first expansive history of this literature from its inception to the present day offering a narrative of how American literary studies and sexuality studies became deeply entwined and what they can teach each other It examines how

American literature produces and is in turn woven out of sexualities gender pluralities trans ness erotic subjectivities and alternative ways of inhabiting bodily morphology In so doing the volume aims to do nothing less than revise the ways in which we understand the whole of American literature It will be an indispensable resource for scholars graduate students and undergraduates **The Routledge Companion to World Literature** Theo D'haen,David Damrosch,Djelal

Kadir,2022-09-30 This fully updated new edition of The Routledge Companion to World Literature contains ten brand new chapters on topics such as premodern world literature migration studies world history artificial intelligence global Englishes remediation crime fiction Lusophone literature Middle Eastern literature and oceanic studies Separated into four key sections the volume covers the history of world literature through significant writers and theorists from Goethe to Said Casanova and Moretti the disciplinary relationship of world literature to areas such as philology translation globalization and diaspora studies theoretical issues in world literature including gender politics and ethics and a global perspective on the politics of world literature Comprehensive yet accessible this book is ideal as an introduction to world literature or for those looking to extend their knowledge of this essential field **Encyclopedia of Lesbian and Gay Histories and Cultures**

George Haggerty,Bonnie Zimmerman,2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public

Corporeal Bonds Patrizia Sambuco,2012-06-11 The mother daughter relationship is a popular theme in contemporary Italian writing but has never before been analysed in a comprehensive book length study In Corporeal Bonds Patrizia Sambuco analyses novels by authors such as Elsa Morante Francesca Sanvitale Mariateresa Di Lascia and Elena Ferrante each of which is narrated from the daughter s point of view and depicts the daughter s bond with the mother Highlighting the recurrent images throughout these works Sambuco traces these back to alternative forms of communication between mother and daughter as well as to the female body Sambuco also explores the attempts of the daughter narrators to define a female self that is outside the constrictions of patriarchal society Through these investigations Corporeal Bonds identifies a strong connection between the ideas of post Lacanian critical theorists Italian feminist thinkers and the stories within the novels *Loving Against the Odds* Elizabeth Russell,2006 The essays collected in this volume include a selection of those presented at a conference in the Universitat Rovira i Virgili Tarragona Spain in 2002 They highlight the existence of a European network of women s writing which became a valuable source of consciousness raising not only for European

women writers but also for their readers The main theme running through the essays is love women loving against the odds and transcending all kinds of obstacles Does love speak a common language or is it inevitably linked to social mores and individual experience Does desire work in the same way Do love and desire have the power to subvert dichotomous thinking and motivate real change The texts studied in this volume are both fictional and factual from plays and novels to diaries letters and drama performances The countries the essays travel through and the languages they encounter all contribute to forming a magic web of connections solidarities and ideas that truly cross boundaries [The Lesbian History Sourcebook](#) Alison Oram, Annmarie Turnbull, 2013-10-18 This groundbreaking critical anthology gathers together a wide range of primary source material on lesbian lives in the past The material here is drawn from a diverse range of sources including court records newspaper reports literary sources writings on lesbianism from psychologists doctors anthropologists as well as personal letters and journals The sources are arranged into thematic chapters covering topics such as archetypes of lesbians cross dressing women and romantic friends the making of lesbianism in culture professional discourse on lesbians public perceptions of lesbianism and women's own experiences This book will be a milestone in the publishing of lesbian history and is set to provoke the impetus for fresh research [Who's Who in Gay and Lesbian History Vol.1](#) Robert Aldrich, Garry Wotherspoon, 2005-10-25 Who's Who in Gay and Lesbian History From Antiquity to the Mid Twentieth Century is a comprehensive and fascinating survey of the key figures in gay and lesbian history from classical times to the mid twentieth century Among those included are Classical heroes Achilles Aeneas Ganymede Literary giants Sappho Christopher Marlowe Arthur Rimbaud Oscar Wilde Royalty and politicians Edward II King James I Horace Walpole Michel de Montaigne Over the course of some 500 entries expert contributors provide a complete and vivid picture of gay and lesbian life in the Western world throughout the ages **Feminist Revolution in Literacy** Junko Onosaka, 2013-10-14 This book examines the history of women's bookstores in the US from the 1970s to the 1990s It establishes that women's bookstores played an important role in feminism by enabling the dissemination of women's voices and thereby helping to sustain and enrich the women's movement They improved women's literacy their abilities to read write publish and distribute women's voices and visions and helped women to instigate a feminist revolution in literacy **Spinsters and Lesbians** Trisha Franzen, 1996 Americans have long held fast to a rigid definition of womanhood revolving around husband home and children Women who rebelled against this definition and carved out independent lives for themselves have often been rendered invisible in US history In this unusual comparative study Trisha Franzen brings to light the remarkable lives of two generations of autonomous women Progressive Era spinsters and mid twentieth century lesbians While both groups of women followed similar paths to independence separating from their families pursuing education finding work and creating woman centered communities they faced different material and cultural challenge and came to claim very different identities Many of the turn of the century women were prominent during their time from internationally recognized classicist Edith Hamilton through two early

Directors of the Women's Bureau Mary Anderson and Freida Miller Maturing during the time of a broad and powerful women's movement they were among that era's new women the often single women who were viewed as in the vanguard of women's struggle for equality In contrast never married women after World War II especially lesbians were considered beyond the pale of real womanhood Before the women's and gay lesbian liberation movements they had no positive contemporary images of alternative lives for women Highlighting the similarities and differences between women oriented women confronting changing gender and sexuality systems Spinsters and Lesbians thus traces a continuum among women who constructed lives outside institutionalized heterosexuality
