Many new believers struggle due to a lack of teaching The Bible states that we as baby Christians should desire the sincere milk of the Word that we might grow by it Many people get born again and go back into the old lifestyle because they have no root in the Word and their foundation is weak I would like to see every new believer become established and grounded in the Word so that they have a firm foundation that cannot be moved Tests and trials come to each of us and whether we stand or fall depends on the type of foundation our lives are built upon The more we understand the Word the stronger our foundation becomes God desires that we take His written Word and His revealed Word and apply them to our daily lives This book is intended to inspire new believers to go after God to get to know Him and to love the Word There is no greater joy than knowing the one who came and gave His life that we might live

Rothenberg, 2016-08 Solving the Immigrant Church Crisis The Biblical Solution of Parallel Ministry Acts 6 1 7 addresses the crisis of the immigrant church in which complex cultural and linguistic factors create a reticence on the part of immigrants to transfer financial and decision making authority to succeeding generations and this results in a culturally irrelevant ministry to those generations an exodus of believers from the church a spiritually immature remnant and an inability to reach the lost The thesis of this book is that parallel ministry based on Acts 6 1 7 is the biblical solution to the crisis in the immigrant church While there are at least two main aspects of this crisis a spiritual relational and an ecclesiastical aspect this book focuses on the ecclesiastical aspect of defining the biblical structure of church government Specifically this book is for immigrant churches primarily in the United States and offers them a biblical and practical solution to the problem plaguing them for over two centuries of how to minister effectively to the succeeding generations
