Humble Theory Dorothy Noyes,2016-10-03 A collection of fifteen essays exploring what folklore is its history and how it all connects to the world Celebrated folklorist Dorothy Noyes offers an unforgettable glimpse of her craft and the many ways it matters Folklore is the dirty linen of modernity carrying the traces of working bodies and the worlds they live in It is necessary but embarrassing not easily blached and made respectable for public view although sometimes this display is deemed useful The place of folklore studies among modern academic disciplines has accordingly been marginal and precarious yet folklore studies are foundational and persistent Long engaged with all that escapes the gaze of grand theory and grand narratives folklorists have followed the lead of the people whose practices they study They attend to local economies of meaning they examine the challenge of making room for maneuver within circumstances one does not control Incisive and wide ranging the fifteen essays in this book chronicle the humble theory of both folk and folklorist as interacting perspectives on social life in the modern Western world Tying folklore to larger trends in Western cultural thought leaving behind narrow concerns with genre or fossilized expressive forms *Humble Theory* showcases the potential of folkloristics to contribute meaningfully to interdisciplinary conversations about culture *Journal of Folklore Research* *Humble Theory* is a big book From a small scholarly field it announces the most substantial far seeing insights into the world s social life By writing it Noyes becomes

the kind of public intellectual the United States needs *Journal of American Folklore* *Literary World; Choice Readings from the Best New Books, with Critical Reviews* ,1888 *The Infinity Worm-II* Murat Ukray,2025-06-19 In 2087 a massive organic and conscious structure is discovered during a drilling operation in the depths of Antarctica This structure is one of the Worms among the organic gateways of the universe Humanity is facing this structure for the first time A team entering for exploration gets lost in a layer of the universe where time and physics can be incredibly complex The civilizations they encounter inside the lost people and the deep cosmic secrets will make them question their hopes of returning to Earth and the meaning of being human Inside the civilizations they encounter the lost people and the deep cosmic secrets will make them question their hopes of returning to Earth and the meaning of being human A new discovery reveals the unknown physical boundaries of Earth A group of scientists and historians get trapped inside a worm and encounter a mysterious civilization where time flows differently and immortality and curse intertwine However every hour they spend inside this worm corresponds to a full century in the outside world Author June 2025 **Rethinking Public Choice** Wagner, Richard E.,2022-09-06 Innovative in its approach *Rethinking Public Choice* reviews the concept of public choice since the 1950s post war period and the application of economics to political practices and institutions as well as its evolution in recent years attracting contributions from political science and philosophy *Choice Literature* ,1883 *Of Starfish Tides and Other Tales* Suzanne J. Willis,2022-05-06 The seventeen stories in *Of Starfish Tides and Other Tales* take place at the edges of this world some veering more deeply into it others towards worlds on the other side With elements of fairy tales and folklore and occasional forays into dystopian futures its constant theme is a search for home and belonging and the darkness at the heart of that search Women stalk through these pages looking for the keeper of human hearts and a cruel map that will answer only to its true owner Faeries are more likely to seek revenge or a human soul than they are to grant wishes A man washes up on a pebbled beach his only means of communication being the haunting songs he plays on an old piano Elsewhere music is the language of love and sorrow and sometimes a weapon Stay awhile here and learn the secrets of a city built for a long gone lover and how to find the land of the dead Learn what it means to chart stories on human skin But remember that between these covers getting what one needs is often different from what one wants Suzanne J Willis is a chronicler of note a documenter of the glorious strange a creator of such wonders and horrors as might make a heart sing or the blood curdle from the introduction by Angela Slatter *Lamb. Tales from Shakespeare [a selection]* ed. by W.T. Coyne Charles Lamb,1895
