Choices Making Right Decisions In A Complex World:

Choices Lewis B. Smedes,1986 **Fundamental Christian Ethics** Daniel Heimbach,2022-11-01 In Fundamental Christian Ethics Daniel Heimbach draws from decades of research and scholarship to introduce the field of Christian ethics in a comprehensive manner while showing how it dialogues with modern day ethical topics and issues Readings in Christian Ethics David K. Clark,Robert V. Rakestraw,1994-02 Essays by leading ethicists provide students with a comprehensive introduction to ethical thinking Beyond Homelessness, 15th Anniversary Edition Steven Bouma-Prediger,Brian J. Walsh,2023-09-12 What would the world look like if everyone had a home The rise in homeless encampments The destruction of our planet The disconnection from place caused by capitalism and technology Beyond the unavailability of housing our culture is experiencing a devastating loss of home In Beyond Homelessness Steven Bouma Prediger and Brian Walsh explore the relationship between socioeconomic ecological and cultural homelessness Bouma Prediger and Walsh blend groundbreaking scholarship with stirring biblical meditations while enriching their discussion with literature music and art Offering practical solutions and a hope filled vision of home they show how to heal the deep dislocations in our society In this fifteenth anniversary edition the authors return to their work with a new postscript in which they discuss the evolution of their ideas and share true stories of home and community built anew This revitalized classic is a must read for any Christian committed to social justice and anyone longing for home **The Decision Intelligence Handbook** L. Y. Pratt,N. E. Malcolm,2023-06-21 Decision intelligence DI has been widely named as a top technology trend for several years and Gartner reports that more than a third of large organizations are adopting it Some even say that DI is the next step in the evolution of AI Many software vendors offer DI solutions today as they help organizations implement their evidence based or data driven decision strategies But until now there has been little practical guidance for organizations to formalize decision making and integrate their decisions with data With this book authors L Y Pratt and N E Malcolm fill this gap They present a step by step method for integrating technology into decisions that bridge from actions to desired outcomes with a focus on systems that act in an advisory human in the loop capacity to decision makers This handbook addresses three widespread data driven decision making problems How can decision makers use data and technology to ensure desired outcomes How can technology teams communicate effectively with decision makers to maximize the return on their data and technology investments How can organizational decision makers assess and improve their decisions over time Pursuing Moral Faithfulness Gary Tyra,2015-04-15 In response to the moralism and relativism that characterize the present age Gary Tyra presents an evangelical ethic for everyday moral faithfulness arguing that Christians can have confidence in their Christ centered Spirit enabled ability to discern and do the will of God in any moral situation **Godyssey** M. Elizabeth Kessler,2008-10-10 Anyone who had their corporate coming of age during the live for success look out for number one heyday of the 70s and 80s will nostalgically delight and find renewal of spirit in this book by

a onetime Yuppie reclaimed by her Lord Like many of her generation who found themselves caught up in consumerist values and careerist lifestyles the author experienced a sense of estrangement from her own soul sparking a search for redemption that will touch the heart of the most jaded worldling A spiritual adventure with a cosmopolitan twist Godyssey seeks to help the spiritually disenfranchised rediscover that Lord whose gentle wooing they still sense within some recess of the soul and to recover those Christian ideals they had lost touch with in their pursuit of success By presenting Christ as a kind of mentor in the art of successful living this book provides much needed shepherding to those left spiritually stranded by their immersion in America s recent corporate and cultural milieu

Crisis Management in a Complex World Dawn R. Gilpin, Priscilla J. Murphy, 2008-07-31 Managers business owners public relations practitioners and others grapple daily with issues that have the potential to radically redefine the reputation of a person company or industry They confront a fundamental question about contemporary crisis management to what extent is it possible to control events and stakeholder responses to them in order to contain escalating crises or safeguard an organization s reputation In *Crisis Management in a Complex World* authors Dawn Gilpin and Priscilla Murphy address this question head on Operating from a strong theoretical orientation this book marks a sharp departure from other crisis management texts which focus on nuts and bolts procedures and information distribution in an effort to simplify the turbulent reality of a crisis situation Instead this book pairs real world examples from across the globe with theory based analysis to show why simplification often fails to alleviate crises and can even intensify them Gilpin and Murphy propose a new complexity based approach to organizational learning that can allow organizations to adapt quickly to changing circumstances This volume addresses both scholars and high level practitioners of public relations organizational communication and strategic management Strongly cross disciplinary the book draws on theories from communication the physical sciences and business It invites controversy and ultimately aims to change the way people conceptualize and prepare for crises
