Christ Centered Preaching Redeeming The Expository Sermon:

Christ-Centered Preaching Bryan Chapell, 2005-03-01 This complete guide to expository preaching teaches the basics of preparation organization and delivery the trademarks of great preaching With the help of charts and creative learning exercises Chapell shows how expository preaching can reveal the redemptive aims of Scripture and offers a comprehensive approach to the theory and practice of preaching He also provides help for special preaching situations The second edition contains updates and clarifications allowing this classic to continue to serve the needs of budding preachers Numerous appendixes address many practical issues

Christ-Centered Sermons Bryan Chapell, 2013-10-15 Highly regarded preacher and teacher Bryan Chapell shows readers how he has prepared expository sermons according to the principles he developed in his bestselling *Christ Centered Preaching* This companion volume provides concrete examples of how a redemptive approach to Scripture is fleshed out in various types of sermons and various genres of the Bible The example sermons not only demonstrate different approaches but also are analyzed for pedagogical purposes helping readers move from theory to practice In essence the book allows students and preachers to look over Chapell's shoulder as he prepares these messages to learn how to construct their own expository sermons that communicate grace and truth from both the Old and New Testaments

The Gospel According to Micah Dr. Micah L. Caswell, 2022-11-08 Most people do not understand elements of the gospel that are emphasized in the minor prophets For example without the minor prophets we are at risk of not cherishing or fearing the day of the Lord Joel 2 Likewise we'd fail to understand and appreciate themes like the wrath of God Micah 2:3 and social justice Micah 6:8 in light of the Christ event Micah is often overlooked but this commentary presents a compelling case for why he matters The author argues that while Micah is often lumped in with minor prophets he deserves to be taught on his own He also suggests that while many have read and preached Micah they have missed the gospel For instance a minor prophetic book like Micah is sometimes used by advocates for social justice to advance a progressive social gospel agenda which runs the risk of applying the text in a way that urges people toward progressive political positions disconnected from Jesus Take Micah back and marvel at the glory of the Lord with the insights and commentary in *The Gospel According to Micah*

The New Interpreter's® Handbook of Preaching, 2010-11-01 The New Interpreter's Handbook of Preaching is a major reference tool for preaching with articles on every facet of Christian sermon preparation and delivery This resource is both scholarly and practical It focuses on the most distinctive feature and greatest strength of homiletics as a discipline It is rooted in interdisciplinary scholarship and it develops theory geared to practice Its theory arises out of the study of both excellent preaching past and present and actual sermon preparation and composition When theory and practice critique each other it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel Excellence in standards is an area in which homiletics needs to grow and this project will be both a means to encourage and develop it A guiding question throughout will be Will it preach The answers will be offered in the

sense that here is something that works well rather than here is something to try Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics brief bibliographies of relevant key books and articles along with practical methodological suggestions for preachers to employ The contributors are homileticians preachers and writers in various disciplines who are committed to the pulpit through practice ***The Glory of Preaching*** Darrell W. Johnson,2010-01-04 Darrell Johnson's book is for any pastor or student who wants to cultivate a deeper pulpit approach one that participates in the transforming mystery of God working through our less than perfect proclamation Here is a solid foundation for preaching the good news as if God was living Jesus was resurrected and the Holy Spirit was faithfully at work among us ***Preparing Sermons from the Page to the Pulpit*** Wayne Baxter,2023-12-06 A step by step guide to preparing effective expository sermons *Preparing Sermons from the Page to the Pulpit* helps pastors move from study to sermon in seven clear steps Pastors love studying God's word But it can be difficult to take the things they've learned from exegesis and apply them to the soul of a congregation Veteran pastor and seminary professor Wayne Baxter helps pastors move from study to sermon He guides preachers on how to take their exegetical analysis of a Scripture passage and turn it into an effective expository sermon Preachers and seminarians will be helped by Baxter's expertise as they grow in crafting compelling sermons ***The Worlds of the Preacher*** Scott M. Gibson,2018-04-17 Building on Haddon Robinson's philosophical approach to preaching this book brings together accomplished evangelical preachers and teachers to help students and pastors understand the worlds biblical cultural and personal that influence and impact their preaching The contributors explore the various inner and outer worlds in which a preacher functions with the goal of helping preachers sharpen their craft Foreword by Bryan Chapell ***Taking Up Preaching*** Blayne A. Banting,2023-07-21 As the complexity of our world increases exponentially there is need for preachers to understand their identities and roles in this new reality and to navigate the landscape of the new challenges facing the contemporary church Blayne Banting offers seasoned reflections on how contemporary preachers can build upon what cannot change in ways that frees them to practice their ministries creatively in ways which must change ***Teaching the Faith, Forming the Faithful*** Gary A. Parrett,S. Steve Kang,2013-03-05 With the decline of traditional Sunday school and education programs in recent years many Christians have not learned the fundamental doctrinal content of the faith In this text Gary Parrett and Steve Kang set forth a thoroughly biblical vision for intentional teaching of the Christian faith that attends to both the content and process of educational and formational ministries ***Preaching the Manifold Grace of God, Volume 2*** Ronald J. Allen,2022-07-05 *Preaching the Manifold Grace of God* is a two volume work describing theologies of preaching from the historical and contemporary periods Volume 1 focuses on historical theological families Orthodox Roman Catholic Lutheran Reformed Anabaptist Anglican Episcopal Wesleyan Baptist African American Stone Campbell Friends and Pentecostal Volume 2 focuses on families that are evangelical liberal neo orthodox postliberal existential radical orthodox deconstructionist Black liberation womanist Latinx

liberation Mujerista Asian American Asian American feminist LGBTQAI Indigenous postcolonial and process In each case the author describes the circumstances in which the theological family emerged describes the purposes and characteristics of preaching from that perspective and assesses the strengths and limitations of the approach *Secrets of the Prince of Expositors* Michael Hawk Mills, 2025-04-25 Crowds thronged to hear Alexander Maclaren Some tried to bribe the doormen for a seat and extra chairs often had to be placed on stage next to the pulpit What drew so many to travel to Manchester England to hear a preacher Maclaren knew how to apply the text to real life His dedication to expository preaching was unique in his day and even surpassed that of his friend Charles Haddon Spurgeon His ministry remains as a needed model for today because countless congregants still see the Bible as stories with little or no relevance to their daily duties Every Sunday people go to a Bible study listen to a sermon or read Scripture and they leave without transforming any part of their lives Despite consistently studying the Bible some people show little difference between the way they act now and the way they acted years ago This problem partially comes down to a lack of good biblical application coming from preachers and teachers of Scripture Maclaren's sermons as well as his essay *An Old Preacher on Preaching* teach expositors today how to make the Bible's truths come alive and be applicable *Applying the Sermon* Daniel Overdorf, 2009-08-28 Finally a tool to help Pastors shape applications that so many congregations have long desired Even the most seasoned homiletics balk at sermon application Why Because application requires preachers to toss a grenade like thus saith the Lord into people's lives and to do so repeatedly From the introduction Despite the concern many pastors feel when it comes to sermon application most homiletics texts devote little more than a chapter if that to this vital topic Daniel Overdorf has filled this glaring gap with *Applying the Sermon* This book equips preachers to develop sermon application that grows from the biblical text and addresses the needs of contemporary congregations Each chapter includes snippets of interviews with five of today's most respected homiletics Haddon Robinson Will Willimon Tom Long Vic Pentz and Bob Russell A great addition to any pastoral library and a valuable resource for Bible college and seminary courses Overdorf's *Applying the Sermon* also includes an extensive bibliography and a sermon application worksheet to give pastors a chance to acquire hands on experience with these techniques **Stumbling over the Cross** Joni S. Sancken, 2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter

shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world *God Is in the House* John Woods,2022-05-31 Good preaching is not simply a matter of communicating the gospel message Rather it is an invitation to encounter the living God who dwells within that message Distilling forty years of preaching experience into a single book *God Is in the House* is a highly practical tool for all those seeking to strengthen their preaching ministry It draws on Scripture s many images of God as architect and builder to guide its readers through the process of shaping effective sermons Both manifesto and manual it addresses the overall role and significance of preaching while also exploring the specific elements a sermon should contain Full length examples are included for illustration and each chapter has practical exercises to aid the reader in integrating new tools into their homiletic practice This book offers a fresh and imaginative model for thinking about the process of designing and delivering sermons It is an excellent resource for both experienced and developing preachers

The Trouble with "Truth through Personality" Charles W. Fuller,2010-04-05 In an era when the cult of personality has overtaken the task of preaching Charles W Fuller offers an engaging query into the necessary boundaries between the person of the preacher and the message preached By thoroughly evaluating Phillips Brooks s classic truth through personality definition of preaching Fuller brings to light a substantial error that remains in contemporary homiletics namely the tenuous correlation between Christ s incarnation and Christian preaching Ultimately Fuller asserts a sound evangelical framework for preaching on revelational ontological rhetorical and teleological grounds Preachers who desire to construct pulpit practice upon a robust evangelical foundation will benefit from Fuller s contribution **Christocentric Preaching**

Meets the Historical Jesus Devon Duffield,2024-12-30 The Christocentric homiletic is considered one of the leading contemporary approaches within the evangelical hermeneutic and homiletic society This is due to the convincing theological justification practical guidance and demonstrative examples of Christocentric sermons from three North American scholars Sidney Greidanus Edmund Clowney and Bryan Chapell Its popularity however has not made this approach immune to criticism Opponents of the Christocentric approach often criticize the preaching model for operating on a general interpretive level having repetitive sermon goals and delivering sermons that lack adequate application among other things The suggested antidote to these issues in current scholarship is for the Christocentric homiletic to become less Christocentric and more Theocentric This book enters the current homiletical debate on Christocentric preaching by placing the homiletical method in conversation with the field of Christology In doing so it points out that the Christocentric homiletic is embedded in a Christology from above contributing to its strengths and weaknesses This book suggests that if the Christocentric method takes the Christologies from below of N T Wright and Wolfhart Pannenberg seriously it can address specific weaknesses and find resources to enhance some of its strengths without negating its central conviction of preaching

Christ in every sermon It defends the unique proposal that the Christocentric method can address its criticisms by becoming more Christocentric and not more Theocentric Translating the Bible Into Action, 2nd Edition Margaret Hill, Harriet Hill, 2022-06-15 When Jesus was born to Mary God translated himself into our human world This act of God's translation continues today wherever the gospel is expressed in each language and lived out in each culture that makes up our diverse world Unfortunately the church often ignores its cultural and linguistic diversity and instead imposes a dominant language and culture for expressing faith This textbook seeks to challenge that situation By identifying common barriers that prevent people from engaging with Scripture the authors explore the ways churches can maintain unity in Christ and celebrate the diversity of their membership Addressing a wide range of relevant issues and using practical applications this revised and updated edition re-establishes the importance of good contextual Scripture engagement A key resource in helping church leaders encourage people to communicate with God in their own language and to discover that Christ wants to make himself at home in their world Preaching with Accuracy Randal E. Pelton, 2019-03-21 A resource to help pastors correctly identify the big idea of a passage and apply it well Preaching with Accuracy provides preachers with a method for finding the big idea in each passage of the Bible since correctly identifying the main point is key to accurately conveying the essential theology of the passage Pelton lays out a reliable well informed method for identifying the main point of a preaching passage and understanding that passage well in its context Numerous examples are given at each step of the way to show how meaning develops throughout the process of interpretation Pelton then guides the preacher through applying a Christ centered hermeneutic that will result in biblical sermons that benefit and equip believers **Reaching Gen Z with the Gospel in the College Classroom** Gregory J. Rummo, 2025-01-17 The majority of students on college campuses currently are members of Generation Z They are the most stressed cohort to ever embark on their journey through higher education reporting the highest stress levels of any generation in the country according to The American Psychological Association as well as the highest suicide rate This is the field white unto harvest into which God has called professors at Christian universities But are they up to the challenge of reaching their students for Christ Palm Beach Atlantic University's triperspectival motto enlightening minds enriching souls and extending hands provided a unique foundation for Gregory J Rummo to build a program to fulfill these goals and effectively reach students with the gospel This book details the results of research into how he accomplished this Through faith integration in the classroom and laboratory practicing radical hospitality in his school office and offering missional opportunities through short term mission trips to the developing world Rummo has had countless occasions to help students mature in their faith The methods offered here although designed to reach students in STEM classes can provide a template to any professor looking to effectively reach students in any discipline with the gospel Handbook of Contemporary Preaching, 2nd Edition Michael Duduit, 2024-07-15 The revised and updated 2nd edition of Handbook of Contemporary Preaching is a comprehensive textbook on preaching and teaching the Bible Pastors will be

better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching
