

Christ in Ancient Vedas

Joseph Padinjarekara

Don Richardson, the author of *Peace Child*, written in the Foreword

"... Not until I read this present monumental study by Dr. Joseph Padinjarekara did I learn that there are scores of Vedic foreshadowings of our Lord and many of them pre-date His advent by more than a millennium? How could this be?"

His work is perhaps the deepest probe that any Christian has yet made to find a worthy bedrock long buried under the strata of subsequent less amenable developments in Hinduism, such as idolatry, caste, temple prostitution, suttee, etc.

Perhaps thoughtful Hindus will find that Dr. Padinjarekara's ground breaking work will guide them back along their spokes to the Vedic hub of their wheel. If that happens, thoughtful Christians and those thoughtful Hindus may eventually discover to their mutual amazement that the Genesis 1 to 11 part of our hub and these crucial elements of the Vedic hub are joined by a common axle - a shared influence from that ancient patriarchal monotheism that pre-dated both Judeo-Christianity and Hinduism."

"This book, *Christ In Ancient Vedas*, is a milestone in the history of Cross-Cultural Evangelism. The author unveils before the reader the ancient glory of India. He introduces the mystic subject in very simple and lucid style."

Professor T.C. Mathew

Joseph Padinjarekara studied Sanskrit at the University of Kerala and at the University of Toronto. The author's literary career began as a novelist in India. In 1973 he came to Canada. He is president of the International Mukti Mission.

Christ In Ancient Vedas:

Christ in Ancient Vedas Paṭiññārēkkara Jōsaph, Don Richardson, 1991 An exciting surprising and edifying discovery from the ancient Vedas the sacred books of the Hindus written between the period 2000 and 1200 B C *A Biblical Approach to Indian Traditions and Beliefs* Joshua Raj, 2008 *Communicating Christ in the Buddhist World* David S. Lim, Paul H. De Neui, 2006 We issue this book amidst the challenges arising from the resurgence of religions in the various nations of the post modern world As Islamic fundamentalism grabs the headlines Buddhist fundamentalism has also been on the rise particularly in Southeast Asia mainly in reaction to the conversionist incursions of Islam and Christianity among them Over the last thirty years Buddhism has also seen growth in the West as its non dogmatic rationality offer of spiritual mentoring and opportunity for personal transformation have made it attractive to post modern society Are there both theological approaches as well as practical strategies for evangelical Christians to use our evangelization efforts among Buddhists without any unnecessary problems to the increasing conflicts in the encounter of religions We believe there are This is the fourth and latest volume in the Buddhist World series which includes *Sharing Jesus in the Buddhist World* *Sharing Jesus Holistically with the Buddhist World* and *Sharing Jesus Effectively in the Buddhist World* Compiled from papers presented at the annual SEANET Missiological Forum in Thailand *Communicating Christ in the Buddhist World* delivers fresh insights from mission theologians and practitioners The first four chapters reflect on the theological framework by which Christians can fulfill the biblical mandate to evangelize and transform peoples The next five chapters consider the significant sociological issues that have arisen in the Christian encounter with Buddhist peoples The final three suggest some strategic ways forward for effective evangelism in the Buddhist world May this book challenge the international Christian community to find better ways of relating to and approaching people of other faiths *The Quest* Lyman C.D. Kulathungam, 2012-04-25 The human spirit seems incapable of being stagnant ever pushing the boundaries of knowledge and experience We try to understand life through questions regarding our own existence the nature of the universe and the nature of God The question of our collective heart is the external manifestation of an internal longing a quest if you will This thirst to understand reality can be seen in superstructures that are scientific social political and especially religious When considering the doctrines institutions and rituals of religions we observe certain core aspirations expressed by the people of these communities These aspirations generate from an underlying quest which seeks a way out of our perceived predicament a salvific quest Regardless of whether we view ourselves as religious pre religious post religious or non religious we find ourselves involved in such a quest it seems to be an integral part of our human personhood Using a unique framework of analysis this book explores Christ's relevance to the quest expressed by the communities of eight major living religions a relevance that neither degrades Christ nor demeans other saviors Christ is not part of the human quest but is well equipped to satisfy that quest *Living Water and Indian Bowl (Revised Edition)*: Swami Dayanand Bharati, 2004-06-01 This is an insightful analysis based on personal

experience of Christian work among Hindus and the error and inadequacy of Western Christianity in the Hindu world Numerous anecdotes are the greatest strength of this important book He presents the transcultural Good News in culturally understandable ways for the India of the 21st century H Stanley Wood Center for New Church Development Columbia Theological Seminary

Transcontinental Links in the History of Non-Western Christianity Klaus Koschorke, 2002

Sehr viel starker und fruher als bislang wahrgenommen ist die Geschichte des Christentums in Asien Afrika und Lateinamerika seit dem 16 Jahrhundert durch polyzentrische Strukturen gekennzeichnet Zugleich bestanden zahlreiche Querverbindungen zwischen den entstehenden UberseeKirchen teils auch ganz unabh ngig von missionarischen Netzwerken Die Beitr ge der Zweiten Internationalen Munchen Freisinger Konferenz behandeln unterschiedliche Formen transkontinentaler Verbindungen und fruhe Beispiele direkter SudSudBeziehungen Dabei werden drei Paradigmen diskutiert

- 1 Ethnische Diasporen als Netzwerke die fur eine uberregionale Selbstausbreitung des Christentums relevant sind
- 2 Transkontinentale Rezeptionsprozesse
- 3 Parallelentwicklungen in Asien Afrika und Lateinamerika

Texte in deutscher und englischer Sprache Since the 16th century the history of Christianity in Asia Africa and Latin America has been much more polycentric in patterns of interaction than has been traditionally recognized At the same time there have existed many links between the emergent overseas churches often quite independent of missionary connections The papers from the Second International MunichFreising Conference deal with various forms of transcontinental links and early instances of SouthtoSouth interactions Texts in German and English

Rethinking Hindu Ministry: H.L. Richard, 2011-06-26

Hindu traditions are diverse and complex Simple summaries of Hindu beliefs and practices aren t adequate to explain their captivating allure for Hindus This collection of papers from seasoned practitioners observes Hindu traditions and Hindu ministry from new angles introducing new perspectives on ministry in Christ s name that are relevant far beyond the Hindu world Broad conceptual pictures and detailed practical advice is presented Also highlighted are some remarkable Hindus who surrendered to Christ and wrestled with the meaning of following Him in their Hindu families This is the first book to turn to for pointers on sharing Christ with Hindus

Gods, Sags and Kings David, Frawley, 2018-05-14

Gods Sages and Kings presents a remarkable accumulation of evidence pointing to the existence of a common spiritual culture in the ancient world from which present civilization may be more of a decline than an advance The book is based upon new interpretation of the ancient Vedic teachings of India and brings out many new insights from this unique source often neglected and misinterpreted in the West In addition it dicusses recent archaeological discoveries in India whose implications are now only beginning to emerge Publisher
