Art Of Hunting:

The Sacred Art of Hunting James A. Swan,1999 Many of the foremost social scientists of our times including Freud Jung and Fromm consider hunting instinctual in man a basic yet little understood human drive that has played a profound influence upon our culture consciousness and physical body Yet hunting is condemned by many as a cruel and inhumane pursuit in an era of urban expansion and animal rights activism This thought provoking book gathers together the rich heritage customs and histories of the hunt from worldwide cultures to present a penetrating picture of the hunter s soul

L'Art de venerie William Twiti,David Scott-Macnab,2009 This volume presents the first scholarly edition of a little known fifteenth century translation of William Twiti s Anglo Norman prose treatise on hunting L art de venerie the earliest manual on the sport to be composed in England The text in question extant in a single manuscript held in a private collection in Ashton under Lyne is far superior to the only other Middle English translation of Twiti s treatise that has hitherto been known to scholars the amplified but debased and at times incoherent version found in BL MS Cotton Vespasian B XII it is also a far more accurate rendition of Twiti s Anglo Norman original than the much altered redaction known as The Craft of Venery a text that has recently become confused with Twiti s treatise Former editors of Twiti s work such as Gunnar Tilander and Bror Danielsson were unaware of the existence of the Ashton translation and therefore founded their editions on the Cottonian text or The Craft of Venery both of which are problematic in a number of ways In this volume the Ashton translation is printed opposite a parallel Anglo French text edited from Gonville and Caius College MS 424 448 and is followed by freshly corrected editions of the amplified Cottonian text and The Craft of Venery All three texts are provided with their own comprehensive notes complemented by an integrated glossary that improves on many definitions currently in the Oxford English Dictionary and the Middle English Dictionary
