The Sugar Plantation in India and Indonesia Ulbe Bosma,2013-10-07 Ulbe Bosma details how the British and Dutch introduced the sugar plantation model in Asia and refashioned it over time **Romanticism Against the Tide of Modernity** Michael Löwy,Robert Sayre,2002-01-01 A translation from the French of Michael Lowy and Robert Sayre s attempt to unify discussion of the diverse manifestations of of Romanicism **Victorian Poetry and the Culture of Evaluation** Clara Dawson,2020 Demonstrates how periodicals newspapers and annuals influenced Victorian poetry and offers fresh interpretations of central Victorian poets including Tennyson Barrett Browning Browning Arnold Landon and Clough **How to Read a Film** James Monaco,1977 **Viva Voce** Silvia Benso,2017-03-30 Through conversations with twenty three leading Italian philosophers representing a variety of scholarly concerns and methodologies this volume offers an informal overview of the background breadth and distinctiveness of contemporary Italian philosophy as a tradition The conversations begin with general questions addressing issues of provenance domestic and foreign influences and lineages Next each scholar discusses the main tenets theoretical originality and timeliness of their work The interviews conclude with thoughts about what directions each philosopher sees the discipline heading in the future Every conversation is a testimony to the differences that characterize each thinker as unique and that invigorate the Italian philosophical landscape as a whole The individual replies differ widely in tone focus and style What emerges is a broad deep lively and even witty picture of the Italian philosophical landscape in the voices of its protagonists Technology and the City Michael Nagenborg,Taylor Stone,Margoth González Woge,Pieter E. Vermaas,2021-01-25 The contributions in this volume map out how technologies are used and designed to plan maintain govern demolish and destroy the city The chapters demonstrate how urban technologies shape and are shaped by fundamental concepts and principles such as citizenship publicness democracy and nature The many authors herein explore how to think of technologically mediated urban space as part of the human condition The volume will thus contribute to the much needed discussion on technology enabled urban futures from the perspective of the philosophy of technology This perspective also contributes to the discussion and process of making cities smart and just This collection appeals to students researchers and professionals within the fields of philosophy of technology urban planning and engineering Health and Happiness in 20th-century Avant-garde Art Donald Burton Kuspit,Lynn Gamwell,State University

of New York at Binghamton. Art Museum, 1996 This book presents a refreshing new approach to avant garde art by demonstrating that a genuine core of modernism manifests a positive life affirming attitude Donald Kuspit and Lynn Gamwell challenge the assumption that disintegration and negativity provide the most authentic artistic responses to this century's gloomy zeitgeist Lavishly illustrated their book includes colorful images of paintings sculptures and decorative arts as well as photographs of spectacular gardens The Oxford Handbook of Media, Technology, and Organization Studies Timon

Beyes, Robin Holt, Claus Pias, 2020 This Handbook explores the largely uncharted territory of media technology and organization studies and interrogates their foundational relations their forms and their consequences The chapters consider how specific mediating technological objects such as the Clock or the Smartphone help us to create organizational form

The Oxford Handbook of Music Listening in the 19th and 20th Centuries Christian Thorau, Hansjakob Ziemer, 2019 An idealized image of European concert goers has long prevailed in historical overviews of the nineteenth and twentieth centuries This act of listening was considered to be an invisible and amorphous phenomenon a naturally given mode of perception This narrative influenced the conditions of listening from the selection of repertoire to the construction of concert halls and programmes However as listening moved from the concert hall to the opera house street music and jazz venues new and visceral listening traditions evolved In turn the art of listening was shaped by phenomena of the modern era including media innovation and commercialization This Handbook asks whether how and why practices of music listening changed as the audience moved from pleasure gardens and concert venues in the eighteenth century to living rooms in the twentieth century and mobile devices in the twenty first Through these questions chapters enable a differently conceived history of listening and offer an agenda for future research *Technology and Creativity* Jesper Strandgaard

Pedersen, Barbara Slavich, Mukti Khair, 2019-07-12 This edited book explores the digital challenge for cultural creative organizations and industries and its impact on production meaning making consumption and valuation of cultural creative products and experiences Discussing digital changes such as user generated content social media business model innovation and product development the chapters challenge deep seated definitions of creative individuals organizations and industries offering insights into how this creative aspect is argued and legitimized Placing an emphasis on research that deals with the digital challenge this collection theorizes its significance for the nature and dynamics of creative industries as well as its impact on the mediation of experiences and the creation and consumption of cultural creative products *The Edinburgh*
