O'Bryan, 2021-04-22 If you re ready to learn how to read Tarot then Tarot For Beginners is for you Inside this book you ll find the history behind Tarot Cards and learn about the Symbolism represented in the decks It doesn t matter if you re an

absolute beginner or if you're looking to reconnect to the Tarot that you've known before. There are methods provided to teach you how to not only read the cards as you encounter them but also how to make intuitive interpretations of each card individually as well as in their relation to the rest of the deck. Tarot started as a card game in the mid 14th Century and over the years slowly morphed into a tool of Divination. Since that time Tarot has become a trusted source for personal introspection and guidance. Traditionally shrouded in mystery and even fear, the Tarot has begun to pull away from the negative stigma that is associated with it. In recent years the Tarot has increased in popularity possibly because of the uncertain times we are living in or because it is a part of a larger trend towards mindfulness. No matter the reason you are drawn to the Tarot with the information in this book you can easily learn how to read and use the cards. We'll explore the 22 cards of the Major Arcana, the trump cards of the Tarot deck. These cards represent the life lessons or archetypal themes in our lives. The symbology and meanings associated with the Major Arcana can be complex and in this book you'll find complete descriptions of their illustrations and traditional symbols. We also explore common themes that are asked of the Tarot such as Health, Love, Career, Finance, and Spiritual meanings including keywords to remember. Next we introduce the 56 cards of the Minor Arcana, the minor cards. These cards of the Tarot represent those day to day experiences in life. Represented by numbers or pips, the Minor Arcana is outlined in four Suits: The Cups, The Swords, The Coins, and The Wands. These cards are found represented by Ace through 10s as well as Court Cards or Page, Knight, Queen, and King. We'll learn how these Minor Arcana cards relate to each other in terms of which Suit they are and common interpretations for each card. Finally, you'll find sample spreads and techniques for dealing and reading your Tarot cards. The rewards you'll obtain by being able to confidently shuffle and cast cards will be worth the time and effort you put into learning Tarot. One of the most important factors to consider is your reason for wanting to learn Tarot. Use this reason to motivate you to develop a personal relationship with each of the Major cards and then onto the Minor. In this book you'll learn The History of Tarot, How to choose your first deck and clear energies, Breakdown of the Major and Minor Arcana, Introduction to The Fool's Journey, Techniques for Reading Tarot, Practice Spreads, Sample Readings, And so much more. In this book you will discover how to create a connection to the Tarot and develop your skills of intuition as you work with the cards. It's this connection that you will rely upon to form your own opinions and explanations of the readings you provide for yourself and others. [Tarot for Beginners](#) Lisa Woods, 2020-07-27 The Tarot hides a mysterious and wonderful world rooted in the collective unconscious They are much more than just a deck of cards for

improvised magicians or charlatans ready to tap money from the unfortunate on duty They are icons archetypes that speak a language ignored by most of us that of symbols We have become so accustomed to the language of words that we forget that there are other forms of communication Just think of art which uses images to transmit messages Is that why it is less effective Absolutely not for those who are familiar with the language of symbols Tarot for Beginners sets you up to learn this language with a thorough grounding in the key concepts surrounding the Tarot Only through the study of the symbology hidden in the cards we can learn its secrets just as happens to a newborn child who takes his first steps into the world of words Interpreting them favors the knowledge of oneself acting on the awakening of ancestral memories and hidden aspects of our personality Their symbolic language speaks directly to our unconscious without needing to be filtered by word Reading the Tarot and meditating on them therefore allows us to dialogue with the soul with our deep self through the language of symbols This book will open the door for newcomers to the Tarot in a trademark clear and straightforward manner providing an objective look at its origins and its divinatory potential With Tarot for Beginners You Will Learn How to Start Your Journey to Tarot Reading The Meaning of All Cards and How to Interpret Them Beginner Tips and Exercises for Interpreting the Cards The Most Effective Method to Read Tarot Cards How to Read Cards for Yourself and Others How to Select a Tarot Deck The Art of Storytelling How to Create Your Own Cards And So Much More No matter which Tarot deck you use the information in this guide is relevant providing a solid starting point for a skill you can carry with you for a lifetime The psychoanalyst Carl Gustav Jung who has always been interested in their symbology gave an enlightening interpretation of them to say the least by dissecting their deep symbolic meaning He defined them as psychological images symbols with which we play as the unconscious seems to play with its contents They are combined in certain ways and the different combinations correspond to the joyful development of events in the history of humankind For Jung interpreting the Tarot helps us become familiar with the unconscious to open a way towards it to raise us to a new level of awareness Therefore the Tarot's figure speaks to our soul and creates a bridge between reason and intuition Tarot cards could help man through images to fix the understanding of the present in its most elusive remote impulsive and unconscious aspects both individual and collective Only at this point does it become possible to reflect on the future only by taking the current state of things in all its innermost complexity Uncover the facts myth history and mystery of the spiritual art of tarot reading Whether you want to learn to read the cards or deepen your tarot interpretation skills Tarot for Beginners honors the deep heritage of tarot while guiding you through practical techniques So What are You Waiting For Scroll Up to the Page and Select the BUY NOW Button
