Blue Jasmine:

Focus On: 100 Most Popular 2010s Comedy-drama Films Wikipedia contributors, **The New Woman's Film** Hilary Radner, 2017-01-20 With the chick flick arguably in decline film scholars may well ask what has become of the woman's film Little attention has been paid to the proliferation of films often from the independent sector that do not sit comfortably in either the category of popular culture or that of high art films that are perhaps the corollary of the middle brow novel or smart chick flicks This book seeks to fill this void by focusing on the steady stream of films about and for women that emerge out of independent American and European cinema and that are designed to address an international female audience The new woman's film as a genre includes narratives with strong ties to the woman's film of classical Hollywood while constituting a new distinctive cycle of female centered films that in many ways continue the project of second wave feminism albeit in a modified form Topics addressed include The Bridges of Madison County Clint Eastwood 1995 the feature length films of Nicole Holofcener 1996 2013 the film roles of Tilda Swinton Rachel Getting Married Jonathan Demme 2008 Blue Jasmine Woody Allen 2013 Frances Ha Noah Baumbach 2012 Belle Amma Asante 2013 Fifty Shades of Grey Sam Taylor Johnson 2015 and Jane Campion's Top of the Lake Sundance Channel 2013 Blue Jasmine Violet Winspear, 1961

Rumble and Crash Milo Sweedler, 2019-01-31 At the beginning of the twenty first century as the contradictions of capitalism became more apparent than at any other time since the 1920s numerous films gave allegorical form to the crises of contemporary capitalism Some films were overtly political in nature while others refracted the vicissitudes of capital in stories that were not on the surface explicitly political *Rumble and Crash* examines six particularly rich and thought provoking films in this vein These films Milo Sweedler argues give narrative and audiovisual form to the increasingly pervasive sense that the economic system we have known and accepted as inevitable and ubiquitous is in fact riddled with self destructive flaws Analyzing four movies from before the global financial crisis of 2008 and two that allegorize the financial meltdown itself Sweedler explores how cinema responded to one of the defining crises of our time Films examined include Alfonso Cuarón's *Children of Men* 2006 Stephen Gaghan's *Syriana* 2005 Fernando Meirelles's *The Constant Gardener* 2005 Spike Lee's *Inside Man* 2006 Martin Scorsese's *The Wolf of Wall Street* 2013 and Woody Allen's *Blue Jasmine* 2013

Unsettling Eli Bromberg, 2020-11-13 By analyzing how various media told stories about Jewish celebrities and incest *Unsettling* illustrates how Jewish community protective politics impacted the representation of white male Jewish masculinity in the 1990s Chapters on Woody Allen Roseanne Barr and Henry Roth demonstrate how media coverage of their respective incest denials Allen allegations Barr and confessions Roth intersect with a history of sexual antisemitism while an introductory chapter on Jewish second wave feminist criticism of Sigmund Freud considers how Freud became white in these discussions *Unsettling* reveals how film TV and literature have helped displace once prevalent antisemitic stereotypes onto those who are non Jewish nonwhite and poor In considering how whiteness functions for an ethnoreligious group with

The Reluctant Film Art of Woody Allen Peter J. Bailey,2016-05-27 For five decades no American filmmaker has been as prolific or as paradoxical as Woody Allen From *Play It Again Sam* 1972 to *Midnight in Paris* 2011 and *Blue Jasmine* 2013 Allen has produced an average of one film a year yet in many of these movies Allen reveals a progressively skeptical attitude toward both the value of art and the cultural contributions of artists In this second edition Peter J Bailey extends his classic study to consider Allen s work during the twenty first century He illuminates how the director s decision

to leave New York to shoot in European cities such as London Paris Rome and Barcelona has affected his craft He also explores Allen s shift toward younger actors and interprets the evolving critical reaction to his films authoritatively demonstrating why the director s lifelong project of moviemaking remains endlessly deserving of careful attention

Screening Scarlett Johansson Janice Loreck, Whitney Monaghan, Kirsten Stevens, 2019-12-03 Screening Scarlett Johansson Gender Genre Stardom provides an account of Johansson s persona work and stardom extending from her breakout roles in independent cinema to contemporary blockbusters to her self parodying work in science fiction Screening Scarlett Johansson is more than an account of Johansson s career it positions Johansson as a point of reference for interrogating how femininity sexuality identity and genre play out through a contemporary woman star and the textual manipulations of her image The chapters in this collection cast a critical eye over the characters Johansson has portrayed the personas she has inhabited and how the two intersect and influence one another They draw out the multitude of meanings generated through and inherent to her performances specifically looking at processes of transformation metamorphosis and self deconstruction depicted in her work
