Blue Rondo:

Bowmar's Adventures in Music Listening Leon Burton, Charles R. Hoffer, William O. Hughes, 1999 The third in a set of three integrated listening programs Teaches students how to listen to music and identify themes and other characteristics which help them appreciate the music Accompanying texts provide active participation experiences for the students

Dave Brubeck's Time Out Stephen A. Crist, 2019 Dave Brubeck's Time Out ranks among the most popular successful and influential jazz albums of all time Released by Columbia in 1959 alongside such other landmark albums as Miles Davis's Kind of Blue and Charles Mingus's Mingus Ah Um Time Out became one of the first jazz albums to be certified platinum while its featured track Take Five became the best selling jazz single of the twentieth century surpassing one million copies In addition to its commercial successes the album is widely recognized as a pioneering endeavor into the use of odd meters in jazz With its opening track Blue Rondo la Turk written in 9/8 its hit single Take Five in 5/4 and equally innovative uses of the more common 3/4 and 4/4 meters on other tracks Time Out has played an important role in the development of modern jazz In this book author Stephen A. Crist draws on nearly fifteen years of archival research to offer the most thorough examination to date of this seminal jazz album Supplementing his research with interviews with key individuals including Brubeck's widow Iola and daughter Catherine as well as interviews conducted with Brubeck himself prior to his passing in 2012 Crist paints a complete picture of the album's origins creation and legacy Couched in careful analysis of each of the album's seven tracks within historical and cultural contexts he offers fascinating insights into the composition and development of some of the album's best known tunes From Brubeck's 1958 State Department sponsored tour during which he first encountered the Turkish aksak rhythms that would form the basis of Blue Rondo la Turk to the backstage jam session that planted the seeds for Take Five Crist sheds an exciting new light on one of the most significant albums in jazz history

Duran Duran: The Unseen Story Pasquale De Marco, 2025-07-25 Duran Duran is one of the most iconic and successful bands of all time With their catchy melodies stylish image and groundbreaking music videos they helped to define the MTV era and became one of the most popular bands in the world But behind the glitz and glamour there is a story of hard work dedication and perseverance Duran Duran did not achieve their success overnight They paid their dues playing countless shows in small clubs and honing their craft They also had to overcome personal and professional challenges along the way This book tells the story of Duran Duran from their humble beginnings to their global success It is a story of talent ambition and resilience It is also a story of the power of music to bring people together and create lasting memories In this book you will learn about The early years of Duran Duran The impact of MTV The band members The albums The live shows The side projects The breakup The legacy The unseen story The Duran Duran family You will also get a glimpse of the band's creative process and their thoughts on music fame and life Whether you are a lifelong fan of Duran Duran or just discovering their music for the first time this book is a must read It is a fascinating and inspiring story of one of the most successful bands of all time About

the Author Pasquale De Marco is a lifelong fan of Duran Duran He has written extensively about the band for magazines and websites He is also the author of several books on music and popular culture If you like this book write a review Digging Dave Brubeck and Time Out! Alan Goldsher,2020-10-20 Propelled by the unlikely hit Take Five the pianist s 1959 classic Time Out was the first jazz album to earn platinum status making it one of only eight platinum records in jazz history Born as an experiment in time signatures and eclectic musical styles the artist encountered while traveling abroad Time Out moved the genre forward and became one of the most influential albums of all time What was it about this subtle artsy session that captured the ears of both hardcore jazz fans and casual listeners alike Why did Brubeck a bespectacled intellectual who seemingly wasn t as hip as Davis and Coltrane become a legitimate mainstream star in a genre not known for stardom Author and bassist Alan Goldsher delves into Brubeck s classic record examining why the album and the pianist caught the zeitgeist and measuring its continuing impact on music of all styles Engaging and informative Digging Dave Brubeck and Time Out pays homage to one of the most vital most enduring recordings in jazz history Bowmar's Adventures in Music Listening. Level 3 Leon Burton,Charles Hoffer,William Hughes,June Hinckley, An integrated elementary listening program for music classes regular classes libraries and home use Includes 25 great musical selections complete with historical information composer arranger biographical information musical features sketches cross curricular connections and anticipated outcomes Meets the National Music Standards **It's About Time** Fred Hall,1996-07-01 Including an extensive annotated discography It s About Time is much more than an upbeat examination of the Brubeck phenomenon It is also a penetrating view of the culture the music the musicians the recording industry the country and the century that gave birth to jazz
