Uddiyana Therefore he is popularly known as Uddiyana Guru But a holy personality known all over the world a Great Guru is almost a forgotten name in India least remembered not in history not in literature not anywhere even among the Buddhist circles in India Padmasambhava originally belongs to Uddiyana the location of this place has been disputed by some scholars to be in Swat Valley within the ancient Gandhara region which is not tenable The present work is an attempt to study all aspects pertaining to this Guru starting from his magical appearance and penances to his mystical life his works and achievements all through the Himalayan region along with Tibet That leads to establish strongly that the home of the Uddiyana Guru is nowhere else but in Odisha Focus has been laid to establish facts and all evidences showing that Uddiyana is but Odisha This may be considered as the exclusive and exhaustive compilation published for the first time in India
