

The background of the book cover is a stylized illustration of a suburban street. In the foreground, a sidewalk leads towards a row of houses. On the sidewalk, there is a pentagram drawn with black lines, with five small, lit candles at its vertices. The houses have grey roofs and light-colored siding. Bare trees are visible in the background under a pale, overcast sky.

The Springtime Reset B.G. Gordon, 2020-04-17. *The Springtime Reset* By B.G. Gordon. For nearly fourteen billion years, the Triple C had established conditions to support the development of intelligent life on countless worlds throughout the universe. Whenever life did arise, the Triple C also meticulously monitored and, in a few cases, aided its evolutionary progression. The hope of these experiments was to guarantee a fully sustainable sentient race that would endure and prosper. Tragically, all the efforts failed. The Triple C's last hope rests with a species which calls itself human and lives on the third planet in its local star system. This final experiment's success will rest on the shoulders of thirteen humans, including a former high school teacher named Jason Belvins. However, Belvins is searching for his own answers to life, death, and surviving the twenty-first century.
