*Love: Bondage or Liberation?* Deirdre Johnson,2018-03-26 Much has been written about the function of falling in love in the course of therapy itself This book has a much broader aim The author a Jungian analyst and psychotherapy trainer uses her teaching and clinical experience to illuminate the whole range of this near universal human experience How and why does falling in love affect us so profoundly How can it enhance who we are or must it ultimately fade without lasting value The author argues that the many valuable studies by psychoanalysts relational psychologists anthropologists neuroscientists and philosophers have all made valuable contributions and uses these to highlight and explore the many values and dangers inherent in passionate love However she claims that a more holistic approach is required to show how these various accounts can be seen as complementary rather than competing and can be accommodated within an overarching view of the integration of the human being in its heights and depths The Bondage of Love Molly Lefebure,1987 Traces the life of

Samuel Coleridge looks at her marriage to the difficult English poet and critic and discusses how Coleridge's opium addiction affected their lives **Sex, Love, and Friendship** Adrienne Leigh McEvoy,2011-08 The joke is that all the prostitutes go on vacation when the philosophers come to town The reason that the other conventioners do it philosophers just talk about it And talk about sex and love and friendship is what the contributors to this volume do They talk and argue split hairs and clarify all trying to advance our understanding of this most interesting practice of the human species Some of the best minds on three continents from four nations and eighteen of the United States discuss such topics as adultery commitment cross dressing gender politics date rape family friendship friends as lovers gayness love marital pluralism marriage prostitution religiously motivated anti queer sentiments same sex marriage seduction and self respect Rather than preach participants probe our attitudes and practices involving these issues with the aim of better understanding the broad range of sexual practices of our species The result is a collection of stimulating essays that can enliven class discussions as well as provide guidance for the sexually perplexed The work is accessible to readers from high school through college and beyond *Tied Up with Love* Iron Rodd,2018-08-09 Fourteen stories and three vignettes of loving bondage Love's Bondage Francis Bancroft,1986 This Here Is Love Princess Joy L. Perry,2025-08-05 A luscious storyteller Princess Joy L Perry brings to light the profound moral and emotional dilemmas her characters face making the reader feel the weight of their impossible choices and everyday courage A fierce and luminous debut Sheri Reynolds author of *The Rapture of Canaan* and *The Tender Grave* Three people two enslaved one indentured living beside each other struggling against their circumstances trying to bend destiny As the seventeenth century burns to a close in Tidewater Virginia America's character is wrought in the fires of wealth race and freedom Young Bless the only child left to her enslaved mother stubbornly crafts the terms of her vital

existence She stands as the lone bulwark between her mother and irreparable despair her mother's only possibility of hope as Bless reshapes the boundaries of love David is a helping child and a solace to his parents and he gave a purpose to their trials His survival hinges on his mother's shrewd intellect and ferocious fight but his sustenance is his freed Black father's dream of emancipation for the entire family Jack Dane a Scots Irish boy sails to Britain's colonies when his father sells him into indentured servitude as an escape from poverty There Jack learns from the rich the value of each person's life A breathtaking haunting and epic saga This Here Is Love intimately intertwines us with these beautifully drawn unforgettable American characters Bless taken to serve the slaveowner's daughter must decide where she belongs with the enslaved or above them David sold away from his people retreats into himself even as he yearns to unite with others Jack acting impetuously changes his fortune but will doing so sacrifice his humanity All three come together on Jack's land As they face and challenge each other they will relinquish and remake beliefs about family and freedom even as they confront the limits of love
